Sandburg And Lincoln-Way Announce Honor Students

AT SANDBURG
Supt. W. O. Fisher has released the honor roll of Carl Sandburg high school students for grades given at the end of the first quarter. Only academic subjects were used in the computation with separate listings for those with four and five subjects.

The divisions for recognition are Straight "A's", high honors (3.75 average or above with A-4, B-3, C-2), honors, (3.5 average). Honorable mention recognition was given those with a 3.0 average, but below 3.5.

Linda Pearson and Nancy Wiley topped the list of seniors with all "A's" in four subjects. No junior had a 4.0 average, but Marilyn Linderth posted the highest average, 3.8, carrying five subjects. Pemele King and David Rice both picked up five "A's" among the sophomores as did Carol Kimmel with four subjects. Marsha Hirth and Frederic Martin posted the only straight "A" mark in four subjects among the freshmen.

Seniors with high honors in five subjects are Pat Barrett, Wilma Maue, Mary O'Keefe and Linda Wintermantel while those with four subjects are Gary DeBacher, Mary Minton and Sheila Sundquist. Seniors with honors in five subjects are Joanne Lysek, Kenneth Macander and Egle Tumasonis; while those with four marks are Joyce Delph, Leighton Scott, and Rayleen Selke.

Others among juniors with high honors in four subjects are Marie Barber, Chester Blistrip and Louise Uriquiza. Honors among the juniors went to Beverly Felley with five marks and Roger Brown, Elizabeth Elkin, Charles Halverson, John Kunz, Genevieve Litke and Roberta Reinhardt with four subjects.

Sophomores with high honors included Elmer Brandt and Laurel Voras with five subjects and Carol Chord with marks. Honors among the sophomores went to Claudette Bettenhausen, Mary Casas and Nora Holz.

Among the freshmen carrying five subjects receiving high honors are Janis Moulton, Roger (Steve) Sedgwick and Richard Singer while Barbara Pool and Gale Wiley were so honored with four marks.

Honors among the freshmen with five subjects went to Connie Cummings, Denise Caciolas, Donald Franks, Robert Ingram, Les Olsen and Judith Schroeder. Those receiving honors with four subjects include Richard Carlson, Pamela Cripps, Darlene Cutler, Sheila Dumney, Pat Martin, Joan Stellwagen and Jerome Winterstein.

"Golden Jubilee"

Plan For Boy Scouts 50th Anniversary

Scout leaders in Mokena are preparing now for the celebrating of the 50th anniversary of the Boy Scout movement in the United States.

Scouting came to the U.S. from England on Feb. 8, 1910. Boy Scout week in 1960 is Feb. 7-13 and Boy Scout Sunday is Feb. 7.

The nationwide theme will be the "Golden Jubilee," or "Golden Year."

On Scout Sunday Troop 40 and Explorer Post 40, of Mokena will have a reunion and court of honor to which old acquaintances and friends are invited. Numerous awards will be made, from Eagle down to Tenderfoot. Cub Pack 40 also is making plans for its Blue and Gold banquet too. There

are 83 members in the Cub pack. Arthur O. Omland, assistant district commissioner in charge of the Boy Scout Section, Blackhawk district, and long identified with scouting in Mokena is asking former scouts and parents of former scouts to help with the jubilee observance.

"We would like to assemble a display of scouting literature and equipment from the year 1910 to 1960," Mr. Omland said, "so we would appreciate it if you would take a look in that box of scout stuff in the attic, on the top shelf in the closet, down in the basement or maybe out in the garage. We need old scout handbooks (there have been seven editions), merit badges, pamphlets, magazines,

uniforms and equipment. All material loaned to us will be returned to the owners." Persons may get more information by calling Mokena 4892 or writing Mr. Omland at Mokena, P. O. Box 558.

The fifth national jamboree is to be held July 22-28 near Colorado Springs and there is still room for four more scouts from Rainbow council.

In that same week each district will hold a jubilee camporee for Scouts, and the Explorer Scouts are to have a field day, and the Cubs a jubilee on July 23.

Tentative plans for the Blackhawk district call for holding its camporee in Mokena community park.

Persons who paid \$10 when they signed up for the sewer prior to the beginning of the improvement will not be charged any connection fees but those who did not sign at the

time must pay \$100 per connection for residential and commercial property and \$200 for industrial property.

There were 300 original signers out of 375 applications for sewer connection now on record. Of the 375 there have been 287 requests for permits to make connections; of the 287 there have been 240 connections made.

Under the new ordinance persons living within the village boundaries and within 100 feet of a sewer line must make connections. This provision, it was said, would take in practically all residents. Those living within the village but whose property lines are more than 100 feet from a sewer main may use a septic tank.

The ordinance specifies the type of material to be used in making connections. For example, a sewer

line running from a main to the house that passes within 10 feet of a water line must be of cast iron and with waterproof joints. The measure covers practically every situation that could be expected in making connections.

Also included in the ordinance are provisions which ban the running of roof, surface and storm water into sanitary sewers.

Persons who have not made ap-

plication for connection permits or who have such permits but have not had the connections made will be given 30 days in which to comply with the measure. After that, the measure provides, they are subject to arrest and upon conviction may be fined not less than \$10 for each violation. Each day on non-compliance is considered a separate violation.

One Dies - Semi-Trailer, Car Collide

A car and semi-trailer met at the intersection of U.S. 30 and Harlem ave. last Thursday morning about 7:40 o'clock and as a result the driver of the car was killed, the semi-trailer wrecked and a power line disrupted when a pole was broken off.

Victim of the crash was Albert G. Shallcross, 50 years old, of Chicago. He was taken to St. James hospital, Chicago Heights in a Cook county police ambulance and there pronounced dead on arrival.

According to the truck driver, John R. Seeman, of Steger, employed by the Melvin Trucking Co., he was driving east on U.S. 30 and at Harlem ave. the Shallcross car flashed thru the intersection and was in front of his vehicle.

Seeman applied his brakes and attempted to swerve but didn't have time to do either successfully, it was said. Traffic on Harlem avenue is supposed to stop before entering into U.S. 30 but Shallcross didn't, according to Seeman.

Seeman's vehicle jackknifed and overturned, tractor as well as trailer, and as they rolled struck a power pole, shearing it off. Seeman was shaken up but apparently escaped injury.

Crews from the Public Service Co were at the scene within a short time to repair the damage. The wreck caused some persons in the area to be without power or lights for a comparatively brief interval.

Tax Objections May Be Filed Starting Dec. 10

The period of filing complaints on tax assessments for residents of Orland Township will last ten days and is expected to start Dec. 10, at the office of Assessor P.J. Cullerton, third floor County Building, Chicago.

The new assessment for tax purposes on all real estate in Maine, Leyden, Orland, and Calumet townships were released this month.

The 1959 quadrennial reassessment volumes for these suburban townships were open for public inspection on Dec. 7, 8 and 9. By law, the assessor's office reviews and places a value on all property for assessment purposes every four years.

It is up to the property owner to prove his complaint has merit before any reduction is allowed in the assessment.

New Lenox To Vote On Bonds Saturday To Enlarge School

New Lenox school district voters will go to the polls Saturday, Dec. 12 to ballot on a proposed \$225,000 bond issue needed to finance an addition to Oakview school on N. Cedar road.

There will be two polling places. Persons residing west of Gougar road will vote at the Andrew Scuteri home on Golf road. All others in the district will vote at Haven school, in the village. The polls will be open from noon to 7 p.m.

A letter has been sent out to residents of the district by the board of education, asking them to support the program. This program, the board says, will serve a three-fold purpose:

1. Provide much needed space.
2. Provide better education.
3. Solve building needs in the most efficient, economical manner.

The proposed addition would contain five classrooms and toilet facilities to be built above the last addition at the south end of the building. This planned so originally. A multi-purpose room also is to be built at the south end of the structure. Oakview school has no gymnasium and the multi-purpose room will make it possible to carry on a full physical education program there. This room would also have a stage and could be used as a handroom.

A ground level area would also be provided which later could be converted into from three to five classrooms by keeping the multi-purpose room on the same level as the original building.

Unless the proposed bond issue is authorized, the board states, the system will have to drop

Adopts Subdivision Ordinance

The Mokena village board has adopted a subdivision ordinance at its regular meeting last week, pursuant to recommendations by the community planners retained by Mokena and Frankfort to aid in charting the future growth of the area.

Both villages have adopted land use maps and a master plan, an action that gives them jurisdiction over development within a mile and a half radius of their boundaries.

Frankfort has brochures now available for seekers of residential sites and Mokena is having them prepared.

Mokena will get 60 free copies of the land use map for that community and the plan commission recommended the village board purchase 200 more. The board however, decided to cut the number in half and buy 100 maps. They will cost the board \$2.50 each.

Glenn Hensel, a Joliet real estate dealer, who is developing property west of Mokena, was granted approval of the plat for Unit C in Glenn Heights. There are 27 lots in the unit of which 25 are 86 by 104 feet in dimension and two 86 by 140. They are west of 116th ave. and run from Francis road to approximately 195th st.

A shopping center also is planned, starting 140 feet west of 116th ave., and extending along Francis road for 400 feet. Hensel plans to build two streets in Unit C, Greenwood that will run north and south, and Roberts, to run east and west. They will have 30-ft. right of way and 18 feet of blacktop paving.

Trustee Willard Munch informed the board that the Public Service Co. is conducting a survey for street lights, as requested, and that he would welcome suggestions as to the placement of some of these lights. Two of them will be located in the vicinity of Willow Crest school. It is probably that about 15 more lights will be installed in the village. They will be mercury vapor type lamps.

Yule Seal Sale

The third week of the Christmas Seal sale in Will county has ended with the returns amounting to \$18,778. It was announced at headquarters of the Tuberculosis Association at 25 Ottawa st., Joliet.

This figure is a little ahead of last year's figure for the same way to go before the \$42,000 quota is reached.

Returns from the area, with the totals for each township up to Dec.

Frankfort, \$568; New Lenox, \$622; Homer, \$236; Peotone, \$382; Manhattan, \$219; Green Garden, \$53; Lockport, \$1,971.

MR. AND MRS. FRED GOEBEL

350 Guests Congratulate Couple On Golden Wedding

It was a memorable day for Mr. and Mrs. Fred Goebel Sunday when about 350 friends and relatives attended an open house in the Zion Lutheran church parlors, Tinley Park, on Sunday to congratulate them on their 50th wedding anniversary.

The couple received many beautiful bouquets, floral arrangements

and gifts from the guests. A unique floral piece from the Tinley Park Volunteer Fire department, was in the form of a hurricane lamp filled with yellow roses and more roses around the gold base. A ladder of styrofoam led to a chimney on top of which was the figure of a woman holding a simulated fire hose.

The couple was thrilled with a wonderful gift, a telephone call from Seoul, Korea. It was from their grandson, Wayne Goebel, who is stationed there as a military policeman. He is the son of Mr. and Mrs. Walter Goebel of Tinley Park, who were on hand with their other son, Michael, to receive guests.

The couple also have a daughter, Mrs. Dorothy Flockhart who lives in Sepulveda, Calif., near Van Nuys, and twin granddaughters, Merry Lou and Carol Sue Flockhart.

Mrs. Goebel and her daughter-in-law, Irma, each wore gold or chid corsages, and their husband gold rose boutonnieres.

The Goebels who were married Dec. 8, 1909, are very well known in the area. They have been members of the Zion Lutheran church in Tinley Park for 50 years.

Mr. Goebel has served the eighth school districts in Bremen Township as treasurer for the past years and for the same length time has been an insurance broker.

An honored guest at the open house was the pastor who officiated at the wedding ceremony 50 years ago, Rev. Albert Budderhagen, now 81 years old. Another guest was the Rev. T.E. Schroeder, pastor of Zion Lutheran church. Also present to congratulate the couple were Mr. and Mrs. Fulton of Tinley Park, who attended the wedding of the couple 50 years ago.

An original poem, written especially for the occasion by Mrs. John Swisher of Tinley Park, was read at the open house.

Two nieces, Mrs. William Lanfrusti and Mrs. John Devlin had charge of the guest book, and two cousins, Ann Hopman and Nancy Robinson, attended the punch bowl.

Among the many other close friends and relatives who attended to honor the couple, was the vice president of the Chicago Continental Bank, and members of the Treasurer's Association of Illinois.

Other relatives of the couple, some of whom were in attendance, are his brothers, Gus Goebel of Homewood, and Henry, also a sister, Mrs. Emma Schmidt, both of Mission, Texas, and a sister, Mrs. Lillie Niemann of Blue Island; also

Dec. 15 Is Last Date To Register At Olivet College

December 15 will be the deadline for filing applications for entrance to Olivet Nazarene college for the second semester it was announced today by Dr. C. S. McClain, director of admissions. Entrance applications apply both to those who will be enrolling in the school for the first time for the second semester and those that will be returning after a year or more of absence, the director said.

Orientation for incoming freshmen will be held Jan. 14-16 and registration for second semester classes will be held Monday, Jan. 18. Classes will begin with the 7 p.m. courses Monday evening.

A full schedule of courses for freshmen beginning their college career in the second semester will be offered.

Edward Firchau of Park Forest and his family, and William Firchau of Chicago, brothers of Mrs. Goebel.

The tables where a buffet supper was served to guests, were beautifully decorated by members of the Zion Lutheran Ladies Aid, of which Mrs. Goebel is a member. Guests came from Chicago, Oak Park, and the surrounding area.

OAK FOREST HOSPITAL REGISTERED NURSES TOURING ABBOTT LABORATORIES as part of their in-service training program (left-right) Henrietta Manor, 183rd st., Tinley Park, Betty Cerniak, 12212 S. 72nd Ct., Palos Heights, and Gertrude Gabbert, 171st and Le Claire, Tinley Park, with Abbott Guide Terry Morrissey, explaining X-Ray defraction technique utilized in pharmaceutical production.

Loyola University college credit courses are offered to RN's of the staff and area at Oak Forest Hospital, as part of the nursing education program. Registration for the next course "Methods of Teaching", which begins in February are being accepted now. Mrs. Barbara Riblon R.N., is the instructor.

"Little Bits of Mrs. Smith,"
the title Mrs. C. William Apple-
gate gave to her droll interpreta-
tion of excerpts from the witty

writings of Elinor Gouding Smith,
which was presented to the Tinley
Park Parent Teachers Association
Friday, Dec. 4, at Central school,
was a direct assault on the laugh
mechanism of its audience. Mrs.
Applegate made her selections
from "The Complete Book of Ab-

solutely Perfect Housekeeping"
and "The Complete Book of Ab-
solutely Perfect Baby and Child
Care", both by Elinor Gouding
Smith.

In keeping with the theme, the
balance of the "Christmas Values"
program was devoted to sea-
sonal music. Mrs. Bernard Er-
cius, Mrs. Victor Propp, and Mrs.
Milton Carlson, accompanied by
Mrs. Harold C. Moore at the pi-
ano, sang "The Song of Songs"
from the cantata "Night of Holy
Memories" by Ira B. Wilson. Mrs.
Harry C. Schmidt blended the mus-
ic of bells with the dulcet tones

of the harp played by Mrs. Ken-
neth Crandall in pleasant ren-
ditions of "Jesu Bambino" by Pi-
etro Yon, and "Oh Holy Night."

Mrs. Crandall and Mrs. Moore
also furnished music for Christ-
mas carols sung by the audience.

Mrs. John Naughton, vice pre-
sident, arranged the program.

The invocation was offered by
the Rev. Walter Damer, pastor of
the Tinley Park Presbyterian
church.

Conducting the business meet-

Fire Department Elects Officers

By Elizabeth Anderson
The Good Luck Camp of Royal Neighbors will meet at Homer Church social rooms on Thursday, Dec. 17, at noon, when a pot-luck dinner will be served. Each member is asked to bring her own table-service and a dish to pass, also a prize for the games which will be played, and a \$1 gift for the Christmas exchange. Election of officers for the coming year will be

held, making this a full day and an important meeting.

The Homer-Lockport Home Bureau unit will hold its Christmas party in the home of Mrs. George Nordstrom Dec. 16. The members held the regular meeting at Nordstroms Dec. 2.

Mrs. Edna Mergler has returned from several days in Kansas City which she spent with her daughter, Mrs. Verna Ault. Mrs. Ault un-

derwent major surgery just before Thanksgiving Day. She is recovering nicely.

BEVERLY KASPER HONORED
Mr. and Mrs. C.G. Rowley, Bruce Rd., have received word of the honors bestowed upon their granddaughter, Beverly Kasper, of Redlands, Calif. The Redlands Junior High School has selected Beverly to represent its students

for Optimist Youth Appreciation week, because she reflects the desirable qualities found in a large number of the students at the school.

She is a ninth grade student at Redlands and is keenly interested in school work and its related activities. She has held office in several of these groups and is a member of the G.A.A. and F.T.A. She is also active in the Youth Fellowship of the First Baptist Church. Her parents are Laverne and Betty Rowley Kasper, both former Homer residents.

The Don Aspel family visited relatives near Princeton last Sunday.

Mrs. Otto Konow Jr., who has been hospitalized at Silver Cross for a few days has returned to her home on Cedar Rd., somewhat improved. Mrs. Mary Konow spent a few days in the Otto Konow home last week, helping to care for the family.

The Edward Purdy home on Bruce Rd. is nearing completion. Mr. and Mrs. Julian Williams of Sidell spent several days of Thanksgiving week in the home of their daughter, Mrs. Earl Brunworth on Bruce Rd.

Mr. and Mrs. Roger Myers, 159th St., have returned from a plane trip to California and other western points. Enroute they visited Mr. Myers' relatives in Nevada.

The petition of Robert Hunter for a rezoning to heavy industry of part of his land on E. Division St., has been denied by the county zoning board. Several people objected to it, because the land lies in a strictly residential district.

Mrs. Wm. Ziesemer, 159 St. was hostess to the Ladies' Aid society of St. Paul's Lutheran Church, Lockport, last Thursday. The meeting was held in Bezold Hall beginning with dessert-coffee at 1 o'clock.

The Homer Twp. Home Bureau unit meeting was held at the home of Mrs. Mary Todd last Tuesday at 12:30 p.m. Mrs. Fannie Liedtke was the assisting hostess. The lesson on "Christmas and Children" was given by Mrs. Arthur Pelochoud and Mrs. Robert Shepherd Sr. There was a \$1 gift exchange.

The Burcham-Bethell bridal party was entertained at a rehearsal dinner in the George Bethell home in Joliet Friday evening.

Word of the death of Mrs. Adella Paddock in the home of her daughter at Wittler, Calif., Dec. 4 has been received. The body will be brought to Lockport; funeral arrangements are incomplete.

Several Homer people attended the funeral service for Mrs. Bertha M. Loucks at the Blood and Grant Funeral home, Joliet, Wednesday afternoon. Mrs. Loucks died Sunday Nov. 29, at St. Joseph's Hospital at the age of 88. She had been ill for a month following a fall in her home when she suffered a fractured hip. Rev. John Merrill, pastor of Central Presbyterian Church Joliet, officiated, with burial in Elmhurst Cemetery.

Surviving are a sister, Mrs. Martha Vanderboegh of Ridgewood and several nieces, nephews and cousins. Mrs. Loucks was a member of the Rebekah Lodge, No. 59, and of the Royal Neighbors of America.

A native of Wilmington, she lived her early life in that community, and for several years she and her husband George owned and operated the farm on Farrell Rd. where the G.C. Frazers now live. At that time she was active in the Homer church Missionary Society. Since her husband's death in 1925, she has lived at 246 Karkar Ave., Joliet.

The school club of 33-C will hold its Christmas party Thursday evening, Dec. 17, at the school building. A pot-luck dinner will be served at 7:30; Mrs. Lahmann will show a movie, and there will be a dollar gift exchange. Mrs. J. Hasibar is chairman for the evening.

Guests of the King's Daughters at their Christmas meeting at Mrs. Ray Carlson's Thursday were Mrs. Clara Kettering, Mrs. Caroline Ott and Mrs. Frances Roberts, all of Lockport, Mrs. R.C. Storm and Mrs. J.J. Paddock of here, Mrs. Robert Doak of Joliet and Mrs. Ruth Brown of California. Luncheon, directed by Mrs. F.J. Paddock, was served to 21 members and guests at noon. Following a short business session, Mrs. James Elvig and Mrs. Robert Burch led in a devotional program of Bible selections and Christmas hymns. An hour of sociability was enjoyed, with discussion of plans for next year.

at HARVEY FEDERAL SAVINGS

Starting January 1, 1960

Just think how fast your savings account will grow—when Harvey Federal Savings adds the new anticipated 4% annual dividend rate. If you put in \$1,000 and didn't add another penny you would have \$1,480.20 in ten years!

Top earnings? Always. But there's another reason why more people save at HFS than at any other savings institution in the South Suburban area. And that reason is *safety*. In our 49 years, no saver has ever lost a single penny. And during all the ups and downs of that half century, HFS has never missed an annual dividend.

So, where you save *does* make a difference. Why not join the "jump" to Harvey Federal Savings now? You may save by mail, use convenient public transportation, park in our free parking lot, or stay right in your car and use our new Drive-Up Window. It's quick-as-a-bunny!

Parents To Form Clubs In Boy Scout Troop 255

Parents of Boy Scouts in troop 255 have been invited to attend the next regular meeting of the troop on Dec. 14, at 7:30 p.m.

The invitation has been extended by troop leaders in order to organize a Mother's club and Patrol Dad's organization.

Support of the parents, the leaders point out, is necessary if the scouting program is to be successful. They advocate that the home, church, and school working jointly can best help to produce good citizens.

The parents will see the boys in action and learn what goes on at a scout meeting. Leaders are hoping for 100 per cent parent representation.

The WMS of the First Baptist church held a combined regular meeting and book study Tuesday, Nov. 24, in the home of Mrs. Henry Wills, 1716 Oak Park ave.

Dinner was served by Mrs. Wills, followed by the book study, entitled, "By All Means" by Barker J. Cauter and others.

The first chapter, "World Evangelism Today" was presented by Mrs. Roy Lehyer.

The second chapter, "Evangelism Through Preaching" was presented by Mrs. Bonnie McInish.

The fourth chapter, "Evangelism Through Healing" was presented by Mrs. Roxine Collie.

The fifth chapter, "Southern Baptists in World Evangelism" was presented by Mrs. Fern Buck.

The ladies present were: Mrs. Ruth Jenkins, Mrs. Olga Cordeiro and her sister, Mrs. Irene Martin of Watsonville, Calif., who is visiting her for the holidays; also Mesdames Virginia Darby, Sandra Corbett, Alta Seng, Mary Lou Baskin, Roy Rehner, Fern Buck, Elaine Vincent, Lennie Abbott, Henry Wills, Bonnie McInish, Leda Bruce, Maxine Collie, and Reba Oxall.

Robert F. Hoffman, 3366 South Michigan av., Chicago, is a recipient of the Western Actuarial Bureau scholarship at Illinois Institute of Technology, Chicago.

Hoffman, son of Mr. and Mrs. Paul C. Hoffman, 16055 S. Willow Lane, is a freshman in the fire protection engineering department. He is a graduate of Leo high school, Chicago.

David L. Duech, son of Mr. and Mrs. Harry F. Kuech of 159th and 84th av., and John F. Foundas Jr., son of Mr. and Mrs. John F. Foundas of 441 W. 77th pl., are scheduled to graduate from recruit training Dec. 14 at the Naval Training Center, Chicago Great Lakes.

The graduation exercises, marking the end of 11 weeks of "boot camp," will include a full dress parade and review before military officials and civilian dignitaries. In 11 weeks of instruction, the

"raw recruits" develop into a Navy Bluejacket, ready for duty with the fleet.

Gerald G. Myers, son of Mr. and Mrs. Gordon G. Myers of 6457 Park side drive, graduated from recruit training Dec. 5, at the Naval Training Center.

Mr. and Mrs. Thomas Franklin and daughter Joyce were dinner guests Sunday of Mr. and Mrs. Donald Franklin in Matteson.

Mrs. Lulu Anfield entertained a group of friends at a demonstration in her home Monday evening.

Mr. and Mrs. Fred Nitsche attended the Stock show at the International Amphitheatre in Chicago Tuesday.

Miss Sandra Casey was pledged by Delta Zeta at Northern Illinois University during the Fall rush season. Sandra is the daughter of Mr. and Mrs. John W. Casey of Tinley Park Drive.

Mrs. Minnie DeChant of New Lenox was a guest at the Bernard Hartman home Saturday.

Guest at the home of Mr. and Mrs. Frank Tyrolt Saturday was Mrs. Dorothy Sice of Chicago.

Southwestern Area Council, Illinois Congress of Parents and Teachers met recently in the new grade school at Country Club Hills.

Mrs. P. L. Jochum, District 19 I. C.P.T., assistant presented a panel of three speakers for the program.

Mrs. Edward Pettijohn, former District 19 director exhibited the many publications available to local units and explained their value; Mrs. Leonard Angoli of Homewood, scholarship chairman for the District presented this phase and Mrs. Edward Hein, past District publicity chairman was scheduled to speak on "Telling the P.T.A. Story." Illness cancelled her appearance and Mrs. Jochum gave this part of the program.

The business session of the meeting was presided over by Mrs. Philip Wheaton, council chairman.

The Garden club will meet Thursday, Dec. 17 at 12:30 luncheon at the home of Mrs. Lillian Zawadzki 6526 174th st. The annual Christmas party and program with gift exchange is planned.

On Dec. 17, Edmund B. Campbell will receive a commendation from E. A. Locke Jr., Union Tank Car Company president, honoring him for his 30 years of service with the Company.

Campbell is on the supervisory staff of the Company's Mechanical Department in Chicago.

Union Tank Car Company is the world's largest manufacturer and operator of liquid transport tank cars, with 23 regional maintenance and repair shops throughout the United States and Canada.

Bremen Beat

The sixth annual Christmas concert will be presented at Bremen Community High school Sunday, Dec. 13, at 3 p.m. featuring the advanced girls' chorus, the concert choir, and vocal and instrumental ensembles.

The girls' chorus will present "Today There Is Ringing" (Christiansen), "Mistletoe and Holly Bright" (Bach), "Pat-a-pan," a Burgundian air, "Bring a Torch" (old French carol), "Hark, the Herald Angels Sing," "The First Noel," and "Winter Wonderland."

The concert choir will sing "Fanfare for Christmas" (Shaw), "Love Come Down at Christmas" (Sowerby), "Fum, Fum, Fum," (Spanish Dance carol), "Sweet Little Jesus Boy," (MacCrimsey), "A Musical Christmas Card," (Cunkle), and "O Little Town of Bethlehem."

The combined choirs will sing "Silent Night." A mixed octet, composed of Mary Goodwin, Sue Gressens, Linda Bruce, Lois Noyce Bill Tindall, Art Peters, Doug Noble, and George Goodwin, will sing "Let It Snow," and Sharon Jochum will do a piano solo, "Sleigh Ride." Accompanists will be Sharon Jochum and Sandra Scott.

Brass ensembles appropriate to the Christmas season will be performed with "Joy to the World," a grand sacred collection, "Royal Festival"—brass sextet—(Cuentzel), and "Sonata No. 27" (Pezel). Other numbers will consist of brass "tower" music.

Admission is free to the general public. Donald Hollingshead, band director, will have charge of the instrumental selections, and Ruth Schmidt will direct the vocal numbers.

Eight students at Bremen have led the basketball activities of the Girls' Athletic Association as team captains. They are Joan Uthe, Marsha Schecter, Jonene Turak, Jill Hollingshead, Sharon Lovrich

Mary Clemens, Pam Eubanks, and Carol Fischer.

Volleyball captain is Peggy Miller in the volleyball season, which is getting under way with 12 teams composed of six on a team and two alternates.

Joan Uthe is stunts and tumbling captain, and Joanne Buchas is general activity captain.

"It should be emphasized that the organization sponsors intramural activities for all girls in school, not just G.A.A. members," Mrs. Evelyn Aitken, faculty sponsor said.

She has charge of stunts and tumbling, and Mrs. Judy Umbach sponsors basketball events.

Aux. Police Plan Dance

By MRS. EMIL WILLE
Frankfort 3161
The Auxiliary Police are planning a dance to be held Feb. 13, at the Veterans of Foreign Wars hall Mokena. Tickets will be available after the first of the year. The proceeds will be used towards buying equipment needed and for the annual Halloween party for the children. More particulars will be announced later.

Private Jack Newton spent Sun-

day with his wife, Audrey, and her parents, Mr. and Mrs. Dwight Nicholson.

The neighbors on 80th ave., express their appreciation to Mr. and Mrs. Emerth Boyden and others who helped to refurbish mailboxes and for the sturdy stand on which they now rest. It not only aids the mailman in his delivery but also helps protect our mail from the weather and adds much to the appearance of our corner.

We hope everyone will show their appreciation by seeing that we keep it in good condition from now on.

Mr. and Mrs. Walter Niedringhaus entertained at supper Thursday evening in honor of their daughter, Gayle, who celebrated her sixth birthday. Those present were Mr. and Mrs. Clarence Niedringhaus, Mrs. Robert Alexander and children Cherly Lynn and Randy of Chicago and Mr. and Mrs. Otto Niedringhaus.

Mr. Fred Henk was rushed to Ingalls Memorial hospital where he underwent an emergency operation Tuesday, Dec. 1. He is doing as well as can be expected at this time although he is still quite sick.

Mr. and Mrs. Thomas J. Arendt have sold their property and they and their family have moved to Phoenix, Ariz.

Kenneth Maddock has returned from a four day business trip to Carlsbad, New Mexico.

Ronald Vaughn was taken to Silver Cross hospital Saturday night where he was a medical patient for three days. He is convalescing at home.

In 1939 our agency first opened for business, and for these past twenty years we've had the pleasure of doing business with many of the fine people who have lived in the New Lenox Area.

As we look back over these years, it becomes apparent that our success is undoubtedly due to the loyalty and support of our many clients, which must have been earned by our sincere desire to give the best insurance service for their insurance dollar. This goal will never be changed - it will always be the by-word of our business.

At this time, our twentieth anniversary, we pause to thank sincerely all the fine people in New Lenox for making it possible.

Busy Schedule Is Ahead For SWS This Week-End

Conference Cage Teams Appear Well Balanced

A busy schedule of two days, Dec. 11 and 12, in the SWS will go along way toward giving some indication about the relative strength in the conference.

Presently, in spite of the fact that a few teams lost by 10 points last week, the conference still looked balanced.

Champion favorite, Bremen, beaten by Blue Island on Saturday, will test the strength of defending champ, Rich, on Saturday evening at Midlothian before a capacity crowd.

The Redmen must win both contests if they are to get the start in the championship struggle.

Reavis is small, but very fast and could give the Braves plenty of trouble. Bob LeMonier and Ken Natale will be no end of trouble with their driving shots.

Rich still has Phil Wagner and he gets better with every game. Phil got a bit of help from his mates in the first Rocket win over Evergreen Park. The Mustangs are not the weakest team in the conference and so that means the Rocket continues to improve.

The Braves should win both games. A great deal depends on the play of Pete Loverich. John Ragsdale, Jim Mifflin, and Rich Norbut did some fine shooting in the opener. John Mannaolini, who isn't able to shoot — we say, scored 5 baskets.

Pete is going to have to get his share of the rebounds and a few tip-ins. This was a bit short on last Saturday and the Braves succumbed. However, Loverich hasn't the experience of his teammates, tho a senior.

If he comes — the Braves will take both games and ride in first place come Monday.

Carl Sandburg continued on the unbeaten path with an easy 30-point victory over a poor Lake Park team on Saturday. The Eagles have beaten Blue Island and Riverside-Brookfield in extra-league activity. Lincoln-Way was the first SWS victim — and a fortunate one, 56-55.

Sandburg looms large and the shadow of the Eagles will be big

in the SWS. Don Arnold and Gerry McBride are better than ever and thus those kids from the Orland bluff are tough.

Don is the fastest moving center in the circuit. In fact, there probably is not a man in the circuit who can fake and drive for the shot, quicker than he can. He showed plenty against Lincoln-Way.

Evergreen Park should not pose a great problem to the Eagles on Friday. The game will be close being on a foreign floor, but the Mustangs haven't the ready colts this season.

Bremen had its hands full in staving off the Spartans and the Eagles will find the battle every bit as tough as the Lincoln-Way engagement.

Oak Lawn continues to improve and Mr. Miller is proving to be a better guard that Oak Lawn's star of last season, Borkowski. He is a real sparkplug.

The Spartans could be the first loss in six games for the Carl Sandburg team.

Yet, we could see the standing like this next week: Bremen 3-0, Sandburg 3-0. However, it would not be surprising to see both clubs with one loss. This conference has balance.

Lincoln-Way's Knight will go as does Skip Druzich. If Skip is well and ready, currently he is confined to bed, those Knights will have the knife and just look out. They are not a breather for anyone.

The Oak Lawn - Lincoln-Way battle will be somewhat like the Carl Sandburg contest.

Reavis is small and quick. If Kruzich get a good game out of Duane Warning the Knights will cop this one.

The Conference will soon find out that it is useless to foul Skip Kruzich while shooting. Skip made 12 of 13 shots from the free throw lane.

The Lincoln-Way team could easily win both games on the weekend. However, if Kruzich is absent?

That squad (L-Way) is scrappy and can't even be counted out then.

Superintendent To Visit Orland Nazarene Church

The Nazarene District Superintendent is to pay his annual visit on Sunday morning, Dec. 12.

The Rev. Mark Moore has been superintendent of the Chicago Central District since 1952. Earlier he was active as superintendent of the Northwest Oklahoma District for 4 years. Also an army chaplain, and a college professor.

Rev. Moore began his ministry as pastor of the Church of the Nazarene in Goose Creek, Texas, in 1938. He continued in the pastorate until 1944 when he assumed duties as chaplain with the 106th Division Artillery overseas. While with the army, Rev. Moore was twice captured, twice liberated, and twice bombed. His second liberation was effected by the 86th Division in which his brother, Major J. E. Moore Jr. was serving as chaplain.

Rev. Moore will be preaching in the 11:00 morning worship service. He is a forceful Biblical preacher.

Can Still Buy Mokena Car Tags At Bargain Price

Village vehicle licenses are on sale at Mokena and it is expected that most people will take advantage of the bargain rates now prevailing.

License fees are now \$3 — passenger car or truck — and will remain at that figure until Feb. 1 when the regular price of \$5 will become effective.

In reality the cost will be greater, it was pointed out, as it will include a fine and court costs. The licenses may be purchased from the village clerk, Alvin Sorensen, at 403 N. Wolf road.

Vesper Service Will Be Held At Nazarene Church

A Christmas Vesper service will be held in the Tinley Park Church of the Nazarene at 3 p.m. Sunday.

A band and mixed chorus will be featured on the program, also tableaux scenes by a drama club on the Christmas Story as told in the Gospel according to St. Luke and St. Matthew, and a Hallelujah chorus from the Messiah.

The public is invited to attend. Admission is free.

The Rev. Dallas Mucci is pastor of the church.

SICK IN HOSPITAL

Arthur Horn, son of Mr. and Mrs. Clifford Horn, Orland Park, is a patient in the Little Company of Mary Hospital, Evergreen Park. He is in room 623 and will be there for approximately ten days. Arthur would appreciate hearing from his playmates to brighten his hospital stay.

LICENSE SUSPENDED

Joseph A. Fisher, 7297 W. 173rd st., Tinley Park had his driver's license suspended for three violations by the office of Charles Carpentier, Secretary of State.

Republicans To Hold Yule Party In Tinley Park

The Bremen Township Republican party's 11th annual Christmas party will be held in Saenger hall, Tinley Park, Wednesday, Dec. 16. Santa Claus will arrive about 8:30 to distribute gifts and surprises.

Admission will be donations of canned goods and staples to be used to fill the Christmas baskets for the needy of Bremen Township. Last year over 500 children and adults attended, making it possible to distribute over 40 Christmas baskets.

Refreshments will be served. For further information call Fulton 5-0230.

SANDBURG BRAVES WIN OPENERS

Eagles Net Winning Point In Final Second Of Game

BY DEAN DALLAS

Semmler Press Sports Editor
This was a killer-thriller!
At times ragged, but exciting -- wow!

Carl Sandburg, figured to be a good five to eight points better, finished the game with Bill Adams, Eagle coach, breathing, "We were or are happy to come out of this one with a win. Boy... those guys (Lincoln-Way) are tough. They are going to be tough on the rest of the league. In fact, this is the league."

He finished the sentence, "... this is the tough conference." This was a tough game for Lincoln-Way too. Skip Kruzich, star right guard, injured an ankle and will be out of action for some time.

For a season's opener the not-too-big crowd at Orland crowd got more than the cost of entry.

When the scrappy Knights breezed back to contention in the third quarter the place was charged with pressure. Those young high school kids battled claw and lance thru-out the last eight minutes.

A tire could have blown out on either teams offense, but both managed to get the needed buckets to keep the pressure high.

The game was not the best this writer has seen played, but it could not be beaten for sheer drama.

Both teams had a good quarter. Lincoln-Way was deliberate and looked every inch the best team in the SWS in the first quarter. Carl Sandburg shot better than the pros in the second quarter and the youthful Knights seemed to crack at the seams.

What happened at the half no one is sure, but those Knights took out the knife and went to work on Eagle's claws. They began to cut those toenails down to size.

Duane Erickson scored the winning point from the foul line with one second to go -- that was his only point in the entire contest.

"Skip" Kruzich has served notice that he will, if that ankle comes along, be among the best shooters in the SWS this season. He led the scoring in the game with 24 points. He made 12 of 13 free tosses and six baskets.

Don Arnold and Gerry McBride, the one-two punch of last year's Sandburg club were just that much

for a slim knock-out on Friday. Arnold swished 22 points while McBride poured in eight baskets from the far reaches 30 and 40 feet.

Gerry continued to make the baskets when needed and Arnold showed some great inside shooting. Don demonstrated exceptional speed on a turn around shot on the basket.

If the Eagles are to cop the championship -- they are going to have to get far more help from the rest of the team. Arnold and McBride are fine.

Adams has more height, but there are still just the two shooters on that squad.

Jerry Haehnlein came in to steady the Knights when Kruzich was injured in the last three minutes. With Skip went the hopes of the Lincoln-Way team. But Haehnlein just didn't believe it.

Just last week Jerry had his hand taken out of a cast. He ripped through 9 points in the last quarter and a half to keep the Knights right in the ball game.

Both of the teams showed vast improvement over the SWS entries of last season.

Both of these teams will win more than an even share, barring injuries in the SWS.

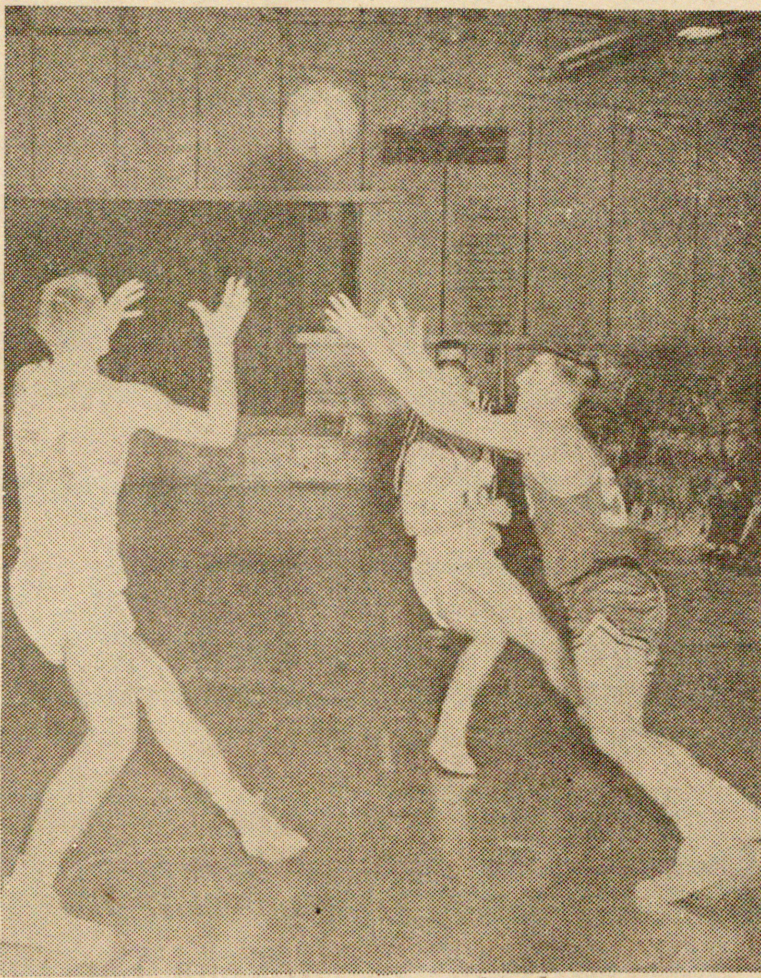

Lincoln-Way has the best basketball team in its history. With more games -- these sophomores and juniors will click.

Don't miss the next Sandburg-Lincoln-Way game that will be played in 1960 on the Knights home floor. This should produce another epic struggle and my friends you may have the honor of picking the winner. I shan't try.

Probably, the most impressive thing in the entire contest was the improvement of Lincoln-Way's shooting. The Knights still could use a bit of brush up on getting open for the shot, but their accuracy was amazing.

Sandburg shooting was great until the final quarter. Then their shooting went sour. But both of these teams showed tremendous potential as shooting outfits.

Duane Warning is still trying to find his way. Fouls bother any young inexperienced boy. Warning demonstrated the ability to rebound with fellows his size and get more than his share. Duane holds one of the keys to the Knights future. He should help to open the victory doors later on.

LANCE ROBERTS (54) of Carl Sandburg and All Waldvogel of Lincoln-Way wait for that ball to come down. Al seems to have the edge at the moment. But this play ended in a jump ball. Gerry McBride came in to help out in the play. (Marvin Smith Photo)

Bowling Tourney THIS WEEK'S GAMES

The sixth annual bowling tournament for employees of the Ordnance Ammunition Command, Joliet Arsenal and the U.S. Rubber Company will be held at the Washington Lanes, Joliet, on January 9 and January 16, 1960.

The tournament is sponsored by the JA-OAC Civilian Welfare Council. All bowlers connected with OAC, Joliet Arsenal, or the U.S. Rubber Company are eligible to participate.

The tournament is a handicap affair, and it is sanctioned by the A.B.C. and the W.I.B.C.

Events for singles, doubles and teams will be rolled. Awards will include 18 trophies plus cash prizes based upon the number of entries.

The JA-OAC bowling committee is headed by Duncan C. Smith. Other members are Joseph F. Zuretsky, Betty A. Porazil, Donald C. Neal, Walter A. Fang, Oscar Zellweger, Joseph Corbo, Angeline H. Petrucci, and Joan Muster.

Mokena Cagers Announce Schedule

Coach Bill Donaldson of the Mokena Grade Cagers announced the schedule for the season.

The Mokena team has played three games to date which are not listed on the published schedule.

The Mokena lights are one win and two losses and the inexperienced heavyweights are yet to win a contest.

Just last week in the first Des-Plaines Valley Conference the arch rival New Lenox boys took home two victories. They beat the lightweights of Mokena, 17-15 in the last 10 seconds. The heavies were beaten by New Lenox, 27-14.

Bremen Downs Spartans Lose To Blue Island

BY BRUCE RODGER

The slow-starting Bremen Braves elbowed past the Oak Lawn Spartans 69-64 in an exciting first conference game Friday night in the latter's gymnasium.

The Spartans spurred to a good start rolling up ten points in the first few minutes of play to one lone point for the Braves. McHenry and Miller were largely responsible for the Spartan tally.

In war-like fashion the Braves crushed the Spartan spirit when Mifflin, Norbut and Loverich tallied two points each to make the score at the end of the first quarter Oak Lawn 17, Bremen 14.

Bremen continued to roll in the second quarter. It was Ragsdale again and again, swishing the nets for five buckets to lead the Braves over the Spartans. Mifflin, Randle El and Norbut aided with two baskets each.

The Spartans lost ground, making only two baskets in the second quarter. At half time, the Braves led 39 to Oak Lawn's 21.

The second half was all Oak Lawn. Those boys just did not give up. McHenry and Miller took turns in scoring for the Spartans. They were closing up on the Braves, when Ragsdale again caught the range and he and Mifflin raised the

tally to Bremen 55, Oak Lawn 46.

In the fourth quarter the Spartans really put the scare into the Red Men from Midlothian with a team press, led by Miller. Braves Man-nioni and Norbut, however, were too hot for them to handle. Each chipped in six points. Spartan Miller tallied 12 points in the fourth quarter.

The frosh - soph game was an even bigger thriller, with the Spartans downing the Brave 40-36. Al Lussow was high scorer for the Braves with 14 points.

On Saturday night the Braves dropped a non-conference tilt to Blue Island, 52 to 48. The Islanders led 26 to 17 at half time.

The Braves outscored Blue Island 15 to 14 in the third period and 16 to 12 in the last frame. Had the game gone a little longer Bremen probably would have pulled it out of the fire.

Methodists Unbeaten After First Run Thru Tinley Park Church Cage League

STANDINGS OF THE TEAMS

	W	L
Methodist	3	0
St. George	2	1
Zion Lutheran	1	2
Nazarene	0	3

The Methodists have taken three straight contests in the first swing thru the Tinley Park Church basketball league. The Methodists have not extended in the first three games. Those tightest battle was with Zion Lutheran, which they won a week ago, 101-76.

Tuesday evening the league started its second time around. The Methodists faced the winless Nazarenes and should have found victory easy there.

St. George and Zion Lutheran battled for the second spot. If the Catholics won they would have undisputed possession of second place, but if Zion won it would then be a tie for second spot.

On Tuesday evening of next week, Dec. 15, will be the final games before the holiday recess, the Methodists will meet St. George in the 7:00 p.m. game, and Zion Lutheran will do battle with the Nazarenes in the final game of the evening at 8:30 p.m.

The league has featured much more scoring by most of the teams this year. The Methodists have twice gone over the century mark and only one team has had a game when they scored less than 40 or more points.

Rich Tindall of the Methodists leads the scoring parade with a spectacular 85 points in three games for 28.3 average per game. Rich hit 44 points in the St. George game.

Second in the scoring column is Jerry O'Neill of Zion Lutheran with 59 points, just one point shy of a 20 points per game average. The other go like this: Galina, St. George 56; Propp, Zion Lutheran 50; Zawacki, St. George 48; Lnadan, Methodists, 46.

Browsing Through The Cold Stove League

BY DEAN DALLAS

Semmler Press Sports Editor

There is little doubt in anyone's mind that the average team in the SW Suburban Conference could more than hold its own in the South Suburban League.

The SSL has long held the supremacy. Last year the Thornton team beat the championship Rich Rocket of the SWS by 20-points. Thornton did this same kind of thing to the teams in the SSL Conference.

Friday evening Argo team took a bead, and drilled the Wildcats by a large 59-45 margin. That is a victory -- no fluke.

This same Argo team had its trouble beating Oak Lawn at Argo. In fact, they defeated the Spartans by two points in the waning moments of the contest.

Bremen visited Oak Lawn on Friday evening and beat the Lawners by five points on the foreign floor. That would mean a 10-point spread on the home floor. Thus to match this the Argo team should have taken Oak Lawn by 10.

Then you must take into consideration that Joe Walton's Spartans are improving plenty with every contest.

Carl Sandburg, who just eked out a victory over Lincoln-Way, 56-55, beat the Cards of Blue Island by more than 10-points.

Blue Island defeated the Bloom team by four points. Thus it would appear that Carl Sandburg could take either of these two teams into camp. Blue Island, Lockport, and Argo are considered the class of the SSL.

The SWS top teams can and will consistently beat the South Suburban entries this year for your better brand of basketball is being playing here.

With the exception of Carl Sandburg and Oak Lawn, the SWS is a rather youthful group of teams. Even the Eagles are starting a sophomore at forward in Lance Roberts. Quite a few other sophomores are getting a starting shot in the SWS for this season.

The larger SSL has seemingly lost the touch. When a school like Lincoln-Way with just 750 students scares the Sandburg team and partisans with such a great battle things are really on the upswing.

Then let's begin to look further. Even beyond the bounds of the southern section the shadow of the SWS begins to loom larger. Carl Sandburg gave the Riverside-Brookfield entry a real beating a week ago. That is the R-B team's only loss.

On Friday evening of last week the R-B team took Downers Grove, who perennially boasts a good outfit.

A couple SWS teams could well meet after the opening eliminations at Harvey and Joliet at the conclusion of this basketball season. Don't be surprised if this would happen.

It would not be a shock.

Yes, sir -- you will see the better basketball played in our section for the coming season. Nothing on the Southside of Chicago or anything, including Joliet is going to be any better.

Joliet Catholic might be one exception.

These seem to be the facts.

Prophets are often proved rather wrong, but this could be a rather good educated guess -- we'll see in February.

He who has no Christmas in his heart will never find Christmas under a tree.

Guidance Head At LW Cited

The first number of the "Bulletin of Illinois Association of Secondary School Principals" featured an article entitled, "A Practical Group Guidance Program That is Student Centered" by Alice Gorman, director of guidance at Lincoln-Way community high school.

Miss Gorman pointed out that the student steering committee was as active as the Lincoln-Way faculty in setting up the guidance source book for the high school.

The Bulletin termed this guidance source book and program, "outstanding guidance project". At the close of the article, The Bulletin invited other schools to write principal, Hunter Chapman, for further information about this

Heart Attack Fatal To Woman Visiting Mokena

Apparently stricken with a heart attack while visiting her aunt near Marley last Friday, Mrs. Agnes Kweder, 40, of Oak Forest, was taken to Silver Cross hospital in the Baskerville ambulance and died there Saturday, Dec. 5.

She had come to Mokena Friday to assist her niece, Mrs. Russell Stankus, who was serving as chairman of the VFW Auxiliary's Christmas party. She was accompanied by her husband and two children and after visiting at the Stankus home Friday evening the family started back for Oak Forest.

They had gone only a few blocks when Mrs. Kweder became dizzy and experienced difficulty in breathing. She was taken back to the Stankus home and the New Lenox fire department sent an inhalator to the scene. Dr. Leo Mursky was also summoned.

After oxygen had been administered Mrs. Kweder recovered sufficiently to be removed to the hospital.

Besides her husband, Anthony, who operates a radio and TV shop at Oak Forest, Mrs. Kweder is survived by a daughter, Alice, and a son, Anthony Jr.

Funeral services were held yesterday morning at St. Christopher church, Midlothian, with burial in Resurrection Cemetery, Chicago.

Bertha Austin Dies Following Long Illness

Funeral services for Bertha A. Austin Siemsen, 68, 16743 S. Harlem ave., Tinley Park, were held Tuesday in Trinity Lutheran church, Tinley Park. The Rev. Carl Hoeft officiated and burial was in the church cemetery.

Mrs. Austin died Dec. 5, at St. Francis hospital, Blue Island, after a lingering illness.

She was born Jan. 28, 1891 in O'Brien County, Iowa and has lived

in Tinley Park for the past 40 years. The Hirsch Funeral chapel, Tinley Park, was in charge of arrangements.

Mrs. Austin was a member of the Ladies Aid Society of the Trinity Lutheran church.

She is survived by her husband, George, one daughter, Miss Lor-

ina Siemsen, and one son, Hilbert Siemsen; also four sisters, Mrs. Rose Habenicht, Mrs. Natalie Bormet, Mrs. Elsie Koehler, and Mrs. Caroline Schult; also one brother, Adam Breitbarth, all of Tinley Park, and three grandchildren. Her first husband, the late Henry Siemsen, died in 1928.

Hostesses for the day were Mrs. John Joynt, Mrs. Frank Zanzig and Mrs. William Etheridge.

Tonight club members will have a dutch treat dinner and party with a 50-cent grab bag as part of the program. The remainder of the program is being kept a secret, according to those in charge.

There is still time to make reservations, it was said, if one calls Mrs. Thomas at Sycamore 8-6728.

The club is to have a dance at Sanger hall in Tinley Park on Feb. 20.

16th District President Visits VFW Auxiliary In Tinley Park

The Veterans of Foreign Wars Auxiliary to Bremen Post 2791, held their monthly business meeting Tuesday evening Dec. 1, with the president, Mrs. William Houle, presiding.

The 16th District president, Mrs. John Stalman of Chicago Heights, made an official visit for the purpose of the annual inspection. She complimented the president and her corps of officers for the fine job they are doing.

Plans are underway for the Christmas season. The Auxiliary party will be held Dec. 15, beginning with a buffet supper. Mrs.

Norman Hansen is chairman. On Dec. 20, the Auxiliary will assist the Post with their annual children's Christmas party.

Mrs. Alvin Miller gave a report on a recent luncheon given in honor of the Dept. of Ill. VFW Auxiliary president, Mrs. Lillian Campbell, held at the Conrad Hilton hotel. Those attending from the Tinley Park Auxiliary were Mrs. Miller, Mrs. Eugene Roe, Mrs. Kermit Mattson, and Mrs. Ray Sullivan.

Hostesses for the Dec. 1 meeting were Mrs. Richard Laccabue and Mrs. T.D. Maxwell.

Luther League Plans Annual Family Night

The Zion Luther League is planning to hold its annual Family Film Night Sunday, Dec. 13, at 7:30 p.m.

As its name indicates, Family Film Night is an evening of wholesome entertainment for the entire family. And this year's program will be the best ever, according to the enthusiastic young people in the group. Two Christmas movies and three cartoons are to be shown. The Leaguers themselves will be performing between reels. Refreshments are to be served also.

The event, as always will take place in the Zion Lutheran church parish hall at 171st st. and 69th ave. Everyone is welcome to attend.

Woman's Club Holds Annual Yule Luncheon

The annual Christmas luncheon of the Tinley Park Woman's club will be held at Jardine's restaurant on Wednesday, Dec. 16, at 1:15 p.m.

A Christmas musical program featuring a vocal trio with their accompanist will be presented by Mrs. Elmer Knudsen, music chairman.

Delightfully clever centerpieces are being made by Mrs. Donald Hillingshead, chairman of the hostesses, and Mesdames Edward Balkar, Lewis Shawver, Charles Nielsen, and Joseph Lebowitz under the direction of Mrs. Walter Eichelberg.

A pleasant afternoon is anticipated by all in the true spirit of Christmas.

FINALIST -- Blonde beauty from Las Cruces, Ce-- December 29-30. The winner will represent the celia Rawlings, named New Mexico Maid of Cotton, American cotton industry on an international tour, will compete for national title in Memphis, Tenn.,

Warn Motorist Heed Signals Of School Bus

George T. Wilkins, state superintendent of public instruction, today reported an increasing number of motorists are failing to stop their vehicles when school buses are receiving or discharging passengers on Illinois highways.

Wilkins and William H. Morris, state highway police superintendent, said school bus drivers and state police are joining together in an intensive statewide crackdown on violators.

"Reports received at recent workshop meetings of school bus drivers in various sections of the state," Wilkins said, "disclose an alarming increase in the number of motorists deliberately violating traffic safety laws."

O.H. McNelly, transportation supervisor in Wilkins' office, reported the program necessitates the use of about 9,000 buses, plus numerous smaller vehicles, and approximately 9,000 regular drivers and 1,000 substitute drivers.

Police Superintendent Morris said violators face arrest and upon conviction may be fined up to \$300. He stressed the point that buses are clearly visible because of their size and yellow color, and that each vehicle is also fully equipped with signs and visual traffic signals.

Turns Down Rezoning Of Two Parcels

(CNS)—Owners of big improved lots had their investments protected in a zoning case decided by the County Board.

The commissioners refused to rezone 10 acres containing acre sized lots to half acre residential zoning.

They said the petitioner, Alan B. Hamilton, 7058 Chappell ave., Chicago, failed to show the property could not be profitably developed under the one acre residential classification.

Hamilton told the board he wanted to develop the land with about 20 trilevel 1 frame houses in the \$40,000 to \$45,000 price range. But testimony showed surrounding property on three sides is zoned for acre lots.

The property involved in the rezoning application is bounded by 191st street, Ashland avenue, Holbrook road, and Kuechler avenue.

In another Bloom township case, the board denied a petition of George Eytcheson, Chicago Heights, to rezone a quarter acre parcel on the west side of Halsted street and 285 feet north of Vollmer road to permit an addition to his shopping center.

The commissioners noted he had no drawn plans of the proposed structure or plans for sewage disposal and water supply. Eytcheson told the board he wanted to build a camera shop on the site. It now is zoned residential.

4-H NEWS

BUSY HOUR

The Busy Hour 4-H club met last Thursday evening at the Schmul school.

Record books, pins, money seals and first year certificates were given out.

Kathy Hummford demonstrated how to make sugar cookies; Hansena Vandborg, how to make banana bread, and Judy Owen, how to make a salad.

The next meeting will be held Jan. 7, at the Schmul school.

EAGER BEAVER

Fourteen members of the Orland Eager Beaver 4-H club attended the November achievement meeting held in the home of Gary Andresen. The leader, Mrs. Marvin Cooper, handed out the awards and pins.

Three demonstrations were given, one on metal etching by Gary Andresen; one on drafting by Randy Horn, and one on electrical work by Fred Hamilton.

Four new members who joined the department, are Jim Sheehar, Jim Maroney, Philip Homan, Tim Homan, and Nick Brancato.

The group plans to attend the International Livestock show.

The next meeting will be at the home of Philip Homan, 14332 Highland ave., Orland Park.

After the meeting closed a game was played and refreshments served by Gary Andresen and Tom Moulton.

Where The Law Creates Dictators

Last week we touched on the Good Neighbor policy involving our relations with the Latin American countries. And while the subject is fresh and very much alive in news accounts perhaps it would be a good idea to touch on it again.

That the new ruler of Cuba is a dictator, just as was his predecessor, is not surprising. The surprising thing is to find a Latin American country that is not under dictatorship. It may be a benevolent type but it is still a dictatorship and the reason for it is simple. In these countries there exists what is called "Revolution Law." At the spring meeting of the Illinois Press Association one of the speakers at luncheon was a Chicago attorney who serves Cuba's Castro as counsel, or at least he did at the time.

It was this lawyer that brought up the term "Revolution Law." Boiled down and shorn of all legal phrasings it means that the winners of a revolution are the law.

It doesn't make any difference what is contained in

the laws that are on the books when the new regime takes over, he explained. Nor does it make any difference how the courts had interpreted the law heretofore, to make use of a word frequently used in legal briefs and arguments.

The only thing that counts is how the new leader wants the law interpreted and if he doesn't like the way the law itself is written he changes it to suit his needs or fancy.

Therefore, this speaker summed up, the winner is always boss until someone comes along that is stronger.

Under such a set up anyone doing business with or in such countries is confronted with quite a gamble. Persons investing in bonds in those places are really taking a flyer. Repudiation of debts contracted by a fallen regime is to be expected.

It seems to us that being a Good Neighbor in South and Central America is a costly venture and it doesn't seem to win us any friends. The Marines used to do a better job.

On Second Tho't

GLENN F. LOGAN

Quite a few column writers appear to be going all out in an endeavor to analyze the human species and aid man in finding out what makes him tick. In doing this they use a lot of words and go meandering about in long sentences that would baffle a federal bureaucrat well stepped in the jargon of official directives.

Whether man learns anything about himself from all this is difficult to determine but it seems to fill up space and if the writers express themselves so the reader is left confused, the author gains a reputation of being a deep, profound thinker.

Since writing about man in the abstract is a popular subject what can this writer lose by jumping aboard the bandwagon.

Mankind, in our humble opinion, is divided into two broad categories -- the losers and the finders.

Please take notice that this poor struggling author is trying to keep this piece on an elevated plane and so couples finders with losers. To say losers and winners would open up channels too easy to enter.

And right away the head-shrinkers could consult their charts on word association tests put him down as a gambler, majoring in turf speculation, or perhaps a pundit

specializing in craps or blackjack.

The losers and finders referred to here are the people who lose things and the people who find things. You've heard of people said to be accident prone? Well, there are persons who are prone to lose things, and there are those that are prone to find things.

But there is more to it than that. As a matter of fact there is a lot of magic in it. And the reason I'm convinced of that it is the only explanation for the way things disappear practically before a loser's eyes, only to pop up again in clear view when a finder appears.

Another odd -- and aggravating thing is that males predominate in the losers class while females rule among the finders. Even little girls are irritatingly successful in finding things that have been lost by fathers, brothers and uncles as a result will go around for hours wearing smug, superior expressions.

There has to be magic connected with this losing and finding. Thurston and Blackstone spent a lot of money and long hours of thought and rehearsal in perfecting disappearing acts. But there probably isn't a home in the country but had a built in magic formula by which things are caused to disappear and then materialize that out performs anything the professional magicians have to offer.

Any husband is willing to testify to that. All he has to do is put something away. It doesn't make any difference what it is. It may be an extra pair of shoelaces, gloves, shirts, neckties, golf clubs, fishing equipment, ax, bowling ball or anything else, the results are same.

When he comes back -- whether an hour, week, month or year later -- the article has vanished. He looks carefully but without success. The thing has gone.

One is amazed but not surprised. After years of that sort of thing one becomes used to it but still it is quite annoying. One fingers thru the contents of drawers or closets but no luck. Then he calls his wife.

"I can't find my gloves," he yells, or it may be his watch, or his pipe, or a certain old hat, or whatever it may be that has disappeared. And figuring a vigorous offense is the best defense, he adds: "What did you do with it?"

But the finder isn't having any of that: "What did I do with it?" she repeats. "I didn't do anything

Look! There!"

She points -- and by golly, there the thing is.

Now you can't tell me that the thing was there all the time or one would see it. The only explanation is magic -- magic that works only for finders and against losers.

It is not only personal things that have a habit of losing themselves. I notice that here at the office things have a strange way of disappearing. Paste pots, shears, ash trays and copy have a way of vanishing that is difficult to cope with.

As a matter of fact the first page of this column is gone and it was right alongside the typewriter. But I'm not worried. Pretty soon I

will admit myself baffled and one of the gals in the office will come over and point and there the page will be -- right beside the typewriter.

It's mighty, mighty strange.

New Books In Mokena Library

BY MARCIA MILLER
(Pres. Mokena Book Club)
Three hundred new state library books have arrived for Mokena readers. Books for every age are included from picture books for tots to novels and non-fiction for adult readers. Boys and girls who like sports, Space lore and nature will find many new titles. Also included are new books by many of the teenager's favorite authors. New books in the library's permanent collection include:

FOR ADULT READERS:
"Castle Garac" by Nicholas Monsarratt. An absorbing novel of suspense about an impoverished American who is hired by a mysterious and wealthy Frenchman to perform certain strange tasks.

FOR TEENS:
"Jean and Johnny" by Beverly Cleary. A boy-meets-girl story about shy Jean and self-confident Johnny. How she sets out to catch his eye makes amusing and absorbing reading.

FOR JUNIOR SCIENTISTS:
"Jets and Rockets and How they Work" by William P. Gottlieb.

Marley

Hold Practice For Christmas Eve Program

BY VIRGINIA SASS
New Lenox 3133

Practices for the Christmas Eve program at the Marley church will be held at the church at 1:30 p.m. on Saturdays, Dec. 12 and 19.

The Christmas program at the Marley school will be held at 7:30 p.m. Dec. 17.

The Twelve Trumps met Wednesday night at the home of Mrs. Henry Volz. Prizes were awarded to Mrs. Herman Benck, Mrs. John Riley and Mrs. Glenn Smith. A gift exchange was enjoyed. The hostess served refreshments from a table decorated with Christmas motifs.

Mrs. Mary Griffin underwent major surgery on Friday morning in the Silver Cross hospital.

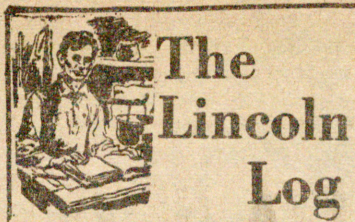

Mrs. James Frazer is a medical patient in the Silver Cross hospital.

Guests on Wednesday in the Frank Liszt home were Mr. and Mrs. Henry Hyink and Mrs. John Purdy and daughter Mary of Dowagiac, Michigan; Mrs. Lois Kamis of Chicago; Frank Hyink of Joliet; Mr. and Mrs. J.W. Mahaffay of Palos Heights and Mr. and Mrs. Daniel Sass.

This poor man cried, and the Lord heard him and saved him out of all his troubles.—(Psalm 34:6)

What is our attitude when we pray? Are we telling God what we want, and why and when we want it? Do we ask that His will, not ours, be done? When we come humbly and penitently to Him, firm in our faith, seeking only His mercy and His love, we are never denied.

The Spanish Club under the sponsorship of Mrs. Bernes, started the year by first electing officers. They are: Leslie Ekedahl, president; Bob Briedert, vice-president; Vivian Jacobson, secretary; and Ann Remien, treasurer.

On December 9, the members of the club will go to Chicago to the Museum of Science and Industry to see their annual programs of Christmas around the world. We will see the program "Christmas in Mexico". Afterwards we will enjoy a Mexican meal at the Museum's dining room.

A program is planned for every meeting of Spanish Club. In these programs members enjoy playing Spanish games, viewing Mexican jewelry and art, or seeing movies of Mexico.

FOOTLIGHTERS

"Romance of the Willow Pattern" is the play presented at the Play fest Dec. 5 and 6 by the Junior-Senior Footlighters. It is a one act comic tragedy in a prologue and seven fragments. The play is done after the Chinese manner, without scenery except for two live props, the trees Ethel Van Der Feit is the author of the tragedy. The cast are: The Mandarin, Gordon Case; Koong-See, his daughter, Pat Loucks; Chang, his secretary, Larry Wennlund; Property Women, Janet Wise; Incense Bearer, Phyllis Goodwin; and trees portrayed by Hanna Heimen and Sue Blomquist.

The Future Teachers, who act as guides at most functions at Lincoln-Way, were assistants to representatives of colleges who participated in College Night, December 2.

SOPHMORE CLASS
"Fantasy Frost" has been chosen as the theme for this year's Christmas Dance which will be sponsored by the sophomore class, December 19 at 8:30 p.m. Music will be presented by the Bill Papesh orchestra.

Judy Bailey is the chairman of the program. Jim Lakin, Paul Mlaaker, Virginia McCullough, Lou Ann Daugherty, Cliff Cheatwood, and Dan Williams comprise the sophomore committee.

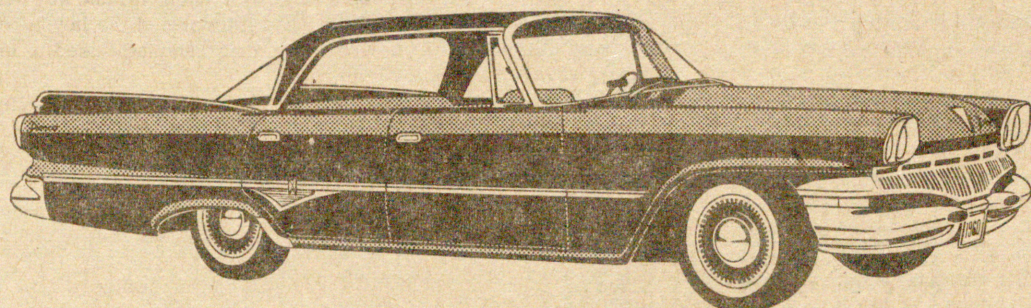

Surveys are being taken by the sophomores to see whether the students want this dance to be formal; semi-formal; or informal.

WILLIAM F. WHITESIDE
Cook County Assoc. Farm Adviser
Farmers' realized net income in the first nine months of 1959 has averaged 15 per cent below a year earlier. Cash receipts of farmers were down 2 per cent. The physical index of marketings was slightly above last year, but agricultural prices this year have averaged 3-1/2 per cent under last year's level. The biggest declines were in prices of hogs, broilers and eggs with hog prices in the first nine months 27 per cent below the same months of 1958; broilers 16 per cent; and eggs, 19 per cent. Production costs have been 2 per cent above the year-earlier level.

In addition to these factors, Government payments under the soil bank have been reduced with the end of the acreage reserve program. In contrast to farm income, income of farm people from non-farm sources, which in 1958 accounted for 28 per cent of their total net income, increased this year and will likely rise further in 1960.

University of Illinois agronomists put three oat varieties—Clinton, Minhafer and Newton—at the top of their recommended list for 1960.

They were the standouts again this year at the oat variety de-

monstrations, which involved test plots in about 50 counties. The Cook County oat plot was on the Ray Bernard farm, Mokena.

The current disease situation had a lot to do with their relative performance, through, says W.O. Scott, U. of I. agronomist. The yellow dwarf virus held the limelight this year, especially in central Illinois. Hardest hit was Clinton, the top performer in 1957, when crown rust was the problem, and also high yielder in disease-free 1958.

Minhafer fared a little better than Clinton where yellow dwarf was bad this year. It is noted for its resistance to both stem and leaf rust, diseases that have been more troublesome in past years than yellow dwarf.

The outstanding performer in this year's trials was Newton which was least injured by yellow dwarf.

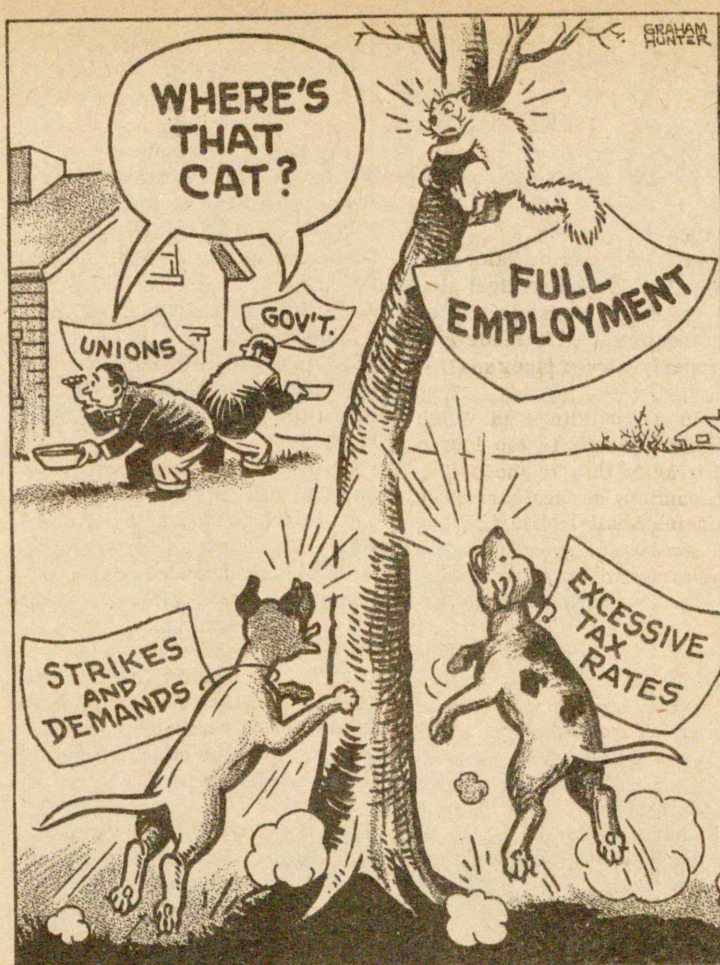

U. of I. plant breeders are well along in their work of developing a variety that is far more resistant than present varieties to the yellow dwarf disease.

C.M. Brown, U. of I. Agronomist, is working to incorporate yellow dwarf resistance into the popular Clinton and Minhafer varieties.

A new variety, Clinton 60, will be increased next season to make it available to farmers in 1961. Similar to Clinton, it has the added advantage of resistance to present races of stem rust.

Goodfield is another newcomer that will be commercially available in 1961. It promises high test weight and excellent resistance to lodging. It is similar in rust resistance to Clinton 60 and Minhafer.

Christmas Themes Featured At Chicago Public Library

The emphasis is on Christmas at the Chicago Public Library during the month of December.

In the Randolph street corridor there is a display of Christmas dolls of yesterday and today, loaned by members of the Chicago Doll Collectors club; also an art exhibit of Chicagoan pictures, loaned by members of the Chicago area Camera clubs.

Hanging in the art department until Dec. 30, is a painting by Ryozo Ogura and on display a sculpture by Rudolph A. Seno. Christmas cards on musical themes are in the music department, and in the science and technology department, the art and technique of paper folding, by Jack J. Skillman.

A special program will be held at 12:15 p.m. Saturday Dec. 12, in the assembly hall, 2nd floor. A concert of Christmas music will feature the children's choir of the First Unitarian church of Chicago. Christopher Moore is director.

During the children's hour on Saturdays, starting at 2:15 p.m. in the assembly hall, there will be stories, films, and recordings, on Dec. 12 and 19.

Sell Christmas Trees To Aid Handicapped

Receipts from the sale of Christmas trees at Fredrick's Service Station, 176th and Oak Park ave., Tinley Park, will aid the handicapped.

This project is being sponsored by the Bremen Council for Handicapped children. The sale is being conducted by volunteers, from 9 a.m. to 10 p.m. daily.

U.S. Coast Guard Seeks Men For Technical Training

Spokesmen for the United States Coast Guard advise that the coast guard faces an ever increasing and unmet need for qualified young men for assignment to its technical trade schools.

The great increase in the use of electronic equipment in the service has made the technician's rating one of the most important in the coast guard. In addition to men trained in electronics, the coast guard also seeks men for training in radio, radar, sonar, loran, electricity and a score or more of other skills.

Every man enlisting in the coast guard is eligible for assignment to school. There are no specific educational requirements for enlistment and although a high school diploma is very desirable, it is not a necessity for enlistment. Men who enlist prior to completion of their high school education may earn their diplomas through correspondence courses from the United States Armed Forces Institute (USAFI).

The need for trained men is so great in the coast guard that a great majority of men enlisting at this time are sent to trade schools directly from boot camp and others receive "On the Job Training" at their first duty stations.

There is no waiting list for enlistment of men from the Illinois,

Wisconsin, Indiana areas at this time. Young men between the ages of 17 and 26 with no previous military training, in good physical condition, are eligible for enlistment. Veterans to the age of 35 are eligible for enlistment and men with previous Navy or Coast Guard service are usually re-enlisted at the rating and pay grade formerly held. Applications for enlistment are accepted now for enlistment and departure in January or in the month of the man's choice thereafter.

Men interested in this small but active branch of the armed forces should call, write or visit their nearest coast guard recruiting station. A station in this area is located at 610 South Canal Street, Chicago. Telephone Wabash 2-6955.

Amaryllis Provides Bright Accent for Flower Window

BY JAMES FIZZELL

Assistant Farm Adviser

The stately amaryllis provides a bright accent for the flower window in late winter. That is a time of the year when bright splashes of color are especially appreciated. The scant foliage and short blooming season are more than compensated for by the bright color of the 6 to 8 inch flowers, and by the easy culture.

Amaryllis bulbs should be plump and free of rot or mold and at least 2-1/2 inches in diameter for good flowering the first year.

Plant the bulb in a pot several inches larger in diameter than the bulb itself. Any good potting soil is satisfactory, however, the pot must be provided with good drainage. A layer of coarse gravel in the bottom of the pot is satisfactory. The bulb should be planted so that the upper 1/2 to 2/3 of the bulb is above the soil. Be sure to have the soil level about 3/4 of an inch below the rim of the pot. Keep the soil on the dry side until growth appears and hold the bulb in a cool shaded place during this period.

When the growth begins, move the plant to a warm sunny window and water more freely.

Insects and diseases are seldom a problem on these plants. If the bulbs do become diseased, it is wise to discard them immediately.

Magnificent flowers, brightly colored and supported on a tall stem will be the reward for proper care, and only about 8 weeks after potting.

Garden lilies, so delightful but often so expensive, can be easily propagated in the home without special training or complicated equipment. Where small bulbs are reproduced naturally in the leaf axils of the flower stalk, as in the Tiger Lily, they can be detached when matured and ready to fall, soaked in water for 48 hours and planted in shallow flats. If protected from drying in summer and freezing in winter, they should produce a supply of bulbs.

In lilies that bloom in early summer, the bloom stalk may be pulled out of the growing bulb with a twisting upward pull after blooming and laid horizontally in a bed

of moist sand. If the sand is kept moist, small bulbs will form along the stem at every node. These can then be grown to flowering size. Late blooming lilies will not have time to develop bulbs by this method out of doors but may be handled in the same way indoors.

Another sure-fire way to produce bulblets is by the process known as scaling. In this method a large bulb is pulled apart scale by scale. Care should be taken to get all of the scale because the important part is where it has been attached to the base of the bulb.

Put the detached scales between layers of moist sphagnum moss in a mason-type fruit jar. Wet the sphagnum moss thoroughly, and then wring as dry as possible with the bare hands. This will remove most of the excess moisture but will still leave the moss moist enough to keep a good humidity in the jar. Place a layer of sphagnum in the bottom of the jar, cover with a layer of lily scales, then a layer of sphagnum, etc., until the jar is filled. Leave the jar open for 48 hours; then put the cover on without the air-tight seal. If the jar is kept at ordinary house temperature, small bulbs will form at the base of the old bulb scales. These should be left in the jar for several months, then planted shallowly in a flat of light soil and grown for a full year before being placed in the garden.

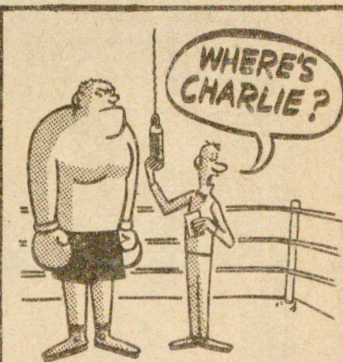

While this may seem a long time to wait, a single mature bulb will produce from thirty to fifty bulblets. By this means, we can all afford even the very fine expensive lilies for our own garden. The bulbs will usually bloom in three years.

of the said Superintendent, to a storm sewer, combined sewer or natural outlet.

(c) Except as hereinafter provided, no person shall discharge or cause to be discharged any of the following described wastes or wastes to any public sewer:

(1) Any liquid or vapor having a temperature higher than 150 deg. F.

(2) Any water or waste which may contain more than 100 parts per million by weight, of fat, oil, or grease.

(3) Any water or waste which may contain more than 25 parts per million, by weight, of soluble oils.

(4) Any gasoline, benzene, naphtha, fuel oil, or other flammable or explosive liquid, solid or gas.

(5) Any garbage that has not been properly shredded.

(6) Any ashes, cinders, sand, mud, straw, shavings, metal, glass, rags, feathers, tar, plastics, wood, paunch, manure, or any other solid or viscous substance capable of causing obstruction to the flow in sewers or other interference with the proper operation of the sewage works.

(7) Any waters or wastes having a PH lower than 5.0 or higher than 9.0 or having any other corrosive property capable of causing damage or hazard to structures equipment, and personnel of the sewage works.

(8) Any waters or wastes containing a toxic or poisonous substance in sufficient quantity to injure or interfere with any sewage treatment process, constitute a hazard to humans or animals, or create any hazard in the receiving waters of the sewage treatment plant.

(9) Any waters or wastes containing suspended solids of such character and quantity that unusual attention or expense is required to handle such materials at the sewage disposal plant.

(10) Any noxious or malodorous gas or substance capable of creating a public nuisance.

(d) Grease, oil, and sand interceptors shall be provided when, in the opinion of the said Inspector, they are necessary for the proper handling of liquid wastes containing grease in excessive amount, or any flammable wastes, sand, and other harmful ingredients, except that such interceptors shall not be required for private living quarters or dwelling units. All interceptors shall be of a type and capacity approved by the Superintendent and shall be located as to be readily and easily accessible for cleaning and inspection.

Grease and oil interceptors shall be constructed of impervious materials capable of withstanding abrupt and extreme changes in temperature. They shall be of substantial construction, water tight, and equipped with easily removable covers which when bolted in place shall be gas tight and water tight.

(e) Where installed, all grease, oil and sand interceptors shall be maintained by the owner, at his expense, in continuously efficient operation at all times.

(f) The admission into the public sewers of any waters or wastes (1) having a five day Biochemical Oxygen Demand greater than 400 parts per million by weight, or (2) containing more than 450 parts per million by weight of suspended solids, or (3) containing any quantity of substances having the characteristics described in Sec. 5(c), or (4) having an average daily flow greater than 2% of the average daily sewage flow of the Village, shall be subject to the review of approval of the Superintendent.

Where necessary in the opinion of the Superintendent, the owner shall provide at his expense such preliminary treatment as may be necessary to (1) reduce the Biochemical Oxygen Demand to 400 parts per million and the suspended solids to 450 parts per million by weight or (2) reduce objectionable characteristics or constituents to within the maximum limits provided for in Sec. 5(c), or (3) control the quantities and rates of discharge of such waters or wastes. Plans, specifications, and any other pertinent information relating to proposed preliminary treatment facilities shall be submitted for the approval of the said Superintendent and of the Illinois State Board of Health, and no construction of such facilities shall be commenced until said approval is obtained in writing.

(g) Where preliminary treatment facilities are provided for any waters or wastes, they shall be maintained continuously in satisfactory and effective operation, by the owner at his expense.

(h) When required by the Superintendent, the owner of any property served by a building sewer carrying industrial wastes shall install a suitable control manhole in the building sewer to facilitate observation, sampling and measurement of the wastes. Such manhole, when required, shall be accessible and safely located and shall be constructed in accordance with plans approved by the Superintendent. The manhole shall be installed by the owner at his expense, and shall be maintained by him so as to be safe and accessible at all times.

(i) All measurements, tests, and analyses of the characteristics of waters and wastes to which reference is made in Sec. 5(c) and Sec. 5(f) shall be determined in accordance with "Standard Methods

less than one-eighth (1/8) inch per foot.

(h) Whenever possible the building sewer shall be brought to the building at an elevation below the basement floor. No building sewer shall be laid parallel to or within three feet of any bearing wall, which might thereby be weakened. The depth shall be sufficient to afford protection from frost. The building sewer shall be laid at a uniform grade and in straight alignment insofar as possible. Changes in direction shall be made only with properly curved pipes and fittings.

(i) In all buildings in which any building drain is too low to permit gravity flow to the public sewer, sanitary sewage carried by such drains shall be lifted by approved artificial means and discharged to the building sewer. No water - operated sewage ejector shall be used.

(j) All excavations required for the installation of a building sewer shall be open trench work unless otherwise approved by the said Inspector. Pipe laying and backfill shall be performed in accordance with ASTM specifications except that no backfill shall be placed until the work has been inspected by the Inspector or his representative.

(k) All joints and connections shall be made gas tight and water tight. Cast iron pipe joints shall be firmly packed with oakum or hemp and filled with molten lead. Lead shall be run in one pouring and calked tight. No point, varnish, or other coatings shall be permitted on the jointing material until after the joint has been tested and approved.

All joints in vitrified clay pipe or between such pipe and metals shall be made with approved hot-poured jointing material or cement mortar as specified below.

Material for hot-poured joints shall not soften sufficiently to destroy the effectiveness of the joint when subjected to a temperature of one hundred sixty (160) degrees Fahrenheit, nor be soluble in any of the wastes carried by the drainage system. The joint shall first be caulked tight with jute, hemp, or similar approved material.

Cement joints shall be made by packing a closely twisted jute or oakum gasket, or suitable size, to fill partly the annular space between the pipes. The remaining space shall be filled and firmly compacted with mortar sand. The material shall be mixed dry; sufficient water shall be added to make the mixture workable. Mortar which has begun to set shall not be used or retempered. Lime putty of hydrated lime may be substituted to the extent of not more than 25 per cent of the volume of the Portland cement that may be added.

Other jointing materials and methods may be used only by approval of the said Inspector.

(l) The connection of the building sewer into the public sewer shall be made at the "Y" branch, if such branch is available at a suitable location. If the public sewer is twelve (12) inches in diameter or less and no properly located "Y" branch is available, the owner shall at his expense install a "Y" branch in the public sewer at the location specified by the said Inspector. Where the public sewer is greater than twelve (12) inches in diameter, and no properly located "Y" branch is available, a neat hole may be cut in the public sewer to receive the building sewer, with entry in the downstream direction at an angle of about forty five (45) degrees. A forty five degree ell may be used to make such connection, with the spigot end cut so as not to extend past the inner surface of the public sewer. The invert of the building sewer at the point of connection shall be at the same or at a higher elevation than the invert of the public sewer.

A smooth neat joint shall be made, and the connection made secure and water tight by encasement in concrete. Special fittings may be used for the connection only when approved by the said Inspector.

(m) The applicant for the building sewer permit shall notify the said Inspector when the building sewer is ready for inspection and connection to the public sewer. The connection shall be made under the supervision of the said Inspector or his representative.

(n) All excavations for building sewer installation shall be adequately guarded with barricades and lights so as to protect the public from hazard. Streets, sidewalks, parkways and other public property disturbed in the course of the work shall be restored in a manner satisfactory to the said Town.

Section 5.

(a) No person shall discharge or cause to be discharged any storm water, surface water, ground water, roof run-off, subsurface drainage, cooling water or unpolluted industrial process water to any sanitary sewer.

(b) Storm water and all other unpolluted drainage shall be discharged to such sewers as are specifically designated as combined sewers or storm sewers, or to a natural outlet approved by the said Superintendent. Industrial cooling water or polluted process waters may be discharged upon approval

(c) Except as hereinafter provided, it shall be unlawful to construct or maintain any privy, privy vault, septic tank, cesspool or other facilities intended or used for the disposal of sewage.

(d) The owner of all houses, buildings, or properties used for human occupancy, employment, recreation or other purposes situated within the Village and abutting any street, alley or right of way in which there is now located or may in the future be located a public sewer or combined sewer of the Village, is hereby required at his expense to install suitable toilet facilities herein, and to connect such facilities directly with the proper public sewer in accordance with the provisions of this ordinance, within thirty (30) days after date of official notice to do so, provided that said public sewer is within one hundred (100) feet of the property line.

(e) Billings for sewerage service shall begin with the first billing period commencing after the expiration of the thirty (30) day connection time established in 2 (d). Such billings shall be in accordance with rates established by ordinance for water and sewerage service; and billings shall begin on such specified dates for all houses or buildings, regardless of whether or not they have at that time connected to the system.

Section 3.

(a) Where a public sanitary or combined sewer is not available under the provisions of Sec. 2 (d), the building sewer shall be connected to a private sewage disposal system complying with all recommendations of the Illinois State Board of Health.

(b) At such time as a public sewer becomes available to a property served by a private sewage disposal system as provided in Sec. 2 (d), a direct connection shall be made to the public sewer in compliance with this ordinance, and any septic tanks, cesspools and similar private sewage disposal facilities shall be abandoned.

(c) All private sewage disposal facilities shall be operated and maintained in a sanitary manner at all times, at no expense to the Village.

(d) No statement contained in this article shall be construed to interfere with any additional requirements that may be imposed by the local Health officer.

Section 4.

(a) No unauthorized person shall uncover, make any connections with or opening into, use, alter, or disturb any public sewer or appurtenance thereof without first obtaining a written permit from the Village Clerk.

(b) There shall be two (2) classes of building sewer permits: (1) for residential and commercial service, and (2) for service to establishments producing industrial waste. In either case, the owner or his agent shall make application on a special form furnished by the said Village. The permit applications shall be supplemented by any plans, specifications, or other information considered pertinent in the judgment of the Inspector. A permit and inspection fee of One Hundred Dollars (\$100) for a residential or commercial building sewer permit and Two Hundred Dollars (\$200) for an industrial building sewer permit shall be paid to the Village Clerk at the time the application is filed.

(c) All costs and expense incident to the installation and connection of the building sewer shall be borne by the owner. The owner or the persons installing the building sewer for said owner shall indemnify said Village from any loss or damage that may directly or indirectly be occasioned by said installation.

(d) A separate and independent building sewer shall be provided for every building; except where one building stands at the rear or another on an interior lot and no private sewer is available or can be constructed to the rear building through an adjoining alley, court, yard, or driveway, the building sewer from the front building may be extended to the rear building and the whole considered as one building sewer.

(e) Old building sewers may be used in connection with new buildings only when they are found on examination and test by the said Inspector to meet all requirements of this ordinance.

(f) The building sewer shall be cast iron soil pipe, ASTM specification or equal; vitrified clay sewer pipe, ASTM specification or equal; or other suitable material approved by the said Inspector. Joints shall be tight and water proof. Any part of the building sewer that is located within ten feet of a water service pipe shall be constructed of cast iron soil pipe with leaded joints. Cast iron pipes with leaded joints may be required by the said Inspector where the building sewer is exposed to damage by tree roots. If installed in filled or unstable ground, the building sewer shall be of cast iron soil pipe, except that non-metallic material may be accepted if laid on a suitable concrete bed or cradle as approved by the said Inspector.

(g) The size and slope of the building sewers shall be subject to the approval of the said Inspector, but in no event shall the diameter be less than six (6) inches. The slope of such pipe shall not be

ORDINANCE NO 424

AN ORDINANCE REGULATING THE CONNECTION TO AND USE OF PUBLIC SEWERS AND DRAINS, THE INSTALLATION AND CONNECTION OF BUILDING SEWERS, AND THE DISCHARGE OF WATERS AND WASTES INTO THE PUBLIC SEWER SYSTEM OF THE VILLAGE OF MOKENA, WILL COUNTY, ILLINOIS, AND PROVIDING PENALTIES FOR VIOLATIONS THEREOF.

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF MOKENA, WILL COUNTY, ILLINOIS:

Section 1. Unless the context specifically indicates otherwise, the meaning of terms used in this Ordinance shall be as follows:

(a) "Sewage Works" shall mean all facilities for collecting, pumping, treating, and disposing of sewage.

(b) "Superintendent" shall mean the Superintendent of the combined Municipal Waterworks and Sewer System of the Village of Mokena, Illinois, or his authorized deputy, agent or representative.

(c) "Inspector" shall mean the person or persons duly authorized by the Village, through its Board of Trustees, to inspect and approve the installation of buildings, sewers and their connection to the public sewer system.

(d) "Sewage" shall mean a combination of the water-carried wastes from residences, business buildings, institutions, and industrial establishments, together with such ground, surface, and storm waters as may be present.

(e) "Sewer" shall mean a pipe or conduit for carrying sewage.

(f) "Public Sewer" shall mean a sewer in which all owners of abutting properties have equal rights, and is controlled by public authority.

(g) "Combined Sewer" shall mean a sewer receiving both surface run-off and sewage.

(h) "Sanitary Sewer" shall mean a sewer which carries sewage and to which storm, surface, and ground waters are not intentionally admitted.

(i) "Storm sewer" or "Storm drain" shall mean a sewer which carries storm and surface waters and drainage, but excludes sewage and polluted industrial waste.

(j) "Sewage treatment plant" shall mean any arrangement of devices and structures used for treating sewage.

(k) "Industrial wastes" shall mean the liquid wastes from industrial processes as distinguished from sanitary sewage.

(l) "Garbage" shall mean solid wastes from the preparation, cooking and dispensing of food, and from the handling, storage and sale of produce.

(m) "Properly shredded garbage" shall mean the wastes from the preparation, cooking, and dispensing of food that have been shredded to such degree that all particles will be carried freely under the flow conditions normally prevailing in public sewers, with no particle greater than 1/2 inch in any dimension.

(n) "Building drain" shall mean that part of the lowest horizontal piping of a drainage system which receives the discharge from soil, waste, and other drainage pipes inside the walls of the building and conveys it to the building sewer, beginning five feet outside the inner face of the building wall.

(o) "Building sewer" shall mean the extension from the building drain to the public sewer or other place of disposal.

(p) "B.O.D." (Denoting Biochemical Oxygen Demand) shall mean the quantity of oxygen utilized in the biochemical oxidation of organic matter under standard laboratory procedure in five days at 20 degrees C., expressed in parts per million by weight.

(q) "PH" shall mean the logarithm of the reciprocal of the weight of hydrogen ions in grams per liter of solution.

(r) "Suspended solids" shall mean solids that either float on the surface of, or are in suspension in water, sewage, or other liquids; and which are removable by laboratory filtering.

(s) "Natural outlet" shall mean any outlet into a watercourse, pond, ditch, lake or other body of surface or ground water.

(t) "Watercourse" shall mean a channel in which a flow of water occurs, either continuously or intermittently.

(u) "Person" shall mean any individual, firm, company, association, society, corporation, or group.

(v) "Shall" is mandatory; "May" is permissive.

Section 2.

(a) It shall be unlawful for any person to place, deposit, or permit to be deposited in any unsanitary manner upon public or private property within the Village of Mokena, Illinois, or in any area under the jurisdiction of said Village, any human or animal excrement, garbage, or other objectionable waste.

(b) It shall be unlawful to discharge to any natural outlet within said Village, or in any area under the jurisdiction of said Village, any sanitary sewage, industrial waste, or other polluted waters, except where suitable treatment has been provided in accordance with subsequent provisions of this ordinance.

Church Group Holding Bake Sale Saturday

BY MARGARET SEMMLER
Mokena 5561
The Friendly Circle of St. John's church will hold a Christmas gift and bake sale Saturday, Dec. 12, in Richardson's Meat Market, starting at 1 p.m.

The organization will meet at 8 p.m. Dec. 10, for their Christmas party. The program will be in charge of Ruth Horras and Marion Homering. Refreshments will be served by Donna Schick, Margaret Istel, Lois Strassenberg, June Gil-

lette, and Mary Kalmer. There will be a gift exchange following the meeting.

David S. Willett, fireman apprentice, USN, son of Mr. and Mrs. Robert Willett of 307 N. Wolf rd., is serving aboard the attack aircraft carrier USS Shangri-La, currently undergoing an overhaul and repair period at the Puget Sound Naval Shipyard, Bremerton, Wash.

Upon completion of the yard period, the Shangri-La is scheduled to depart for the Atlantic Coast via the equator, South America and the Horn.

Mr. and Mrs. Donald Hayden of Collinsville, are the proud parents of a baby boy, born Sunday Nov. 22, at St. Mary's hospital, East St. Louis. The baby weighed 5 lbs. 4 1/2 oz. and has been named, Joseph Donald Hayden. Mrs. Hayden is the former Rosemary Grobarich, whose parents operate the Royal Blue Store in Mokena. The parental grandparent is Mrs. Agnes Hayden, also of Mokena. Mrs. Grobarich has been helping to take care of her daughter and grandson for the past week.

Mrs. Anton Benson who has been a patient in St. James hospital, Chicago Heights for a week is expected to be able to return to her home soon.

There was a good attendance at the band concert Sunday afternoon given in the Mokena public school by the school band. Everyone was pleased with the improvement of the playing of the band members.

A cornet trio consisting of Denny Cappel, Dennis Nuels and J. Wise playing during the opening number of the March of The Missilemen.

also a clarinet quartet, consisting of S. Muzurek, P. Dath, B. Ihde and B. Sluis played, and Tom Hamilton played a trumpet solo.

The Ave Maria, played by the whole band, was well done. Refreshments followed the program. A money tree was located on one of the serving tables for all who desired to give a quarter to be attached to the branches which is to be given to The Trinity School for Retarded children.

The Men's club of the Methodist church will hold their regular breakfast this coming Sunday, Dec. 13 at 8 a.m. in the church to which all men are cordially invited.

The Christmas program of the Sunday School of the Methodist church will be held next Sunday, Dec. 20 at 8 p.m. in the church to which a cordially invitation is given to all. The Christmas Eve Candlelight service will be held in the church starting at 11 p.m.

Mrs. Jack Schaub who has been a patient in St. James hospital for several weeks is expecting to return home soon. She is being treated for high blood pressure. Her sister, Mrs. Anne Pollock of Oak Park has been staying in her home. Mrs. Fred Rauch who was a patient in Silver Cross hospital where she received treatment for arthritis and neuritis is improved and able to be home.

Mrs. Kate Horras of Chicago Heights, spent the weekend with her daughter, Mr. and Mrs. Joe Derrig and family. She attended the band concert Sunday where her grandson Robert Horras, played the drums.

Christ Sipple who was removed to Silver Cross hospital last Tuesday for observation, will be home this week end and is doing nicely.

Business & Finance

BY MAURICE P. ANGLAND
The earlier estimates of what to expect in 1960 business picture, are now reaching publication. The business magazine Dun's Review quotes opinions of 20 leading economists as to their opinions of industrial activity in the decade to 1970.

Their estimate is that economic growth will be at the compound rate of slightly less than 4 per cent yearly as against about 3 per cent in the past few decades. This is a substantial increase.

To provide production facilities for such an increase, they estimate that new plant and equipment expenditures by 1970 will be about 80 per cent greater than 1958.

Theoretically, firms provide budget funds to increase production facilities on the basis of the company's estimates of sales curves and the probably need in future years. However, being human, the Directors are more amenable to such appropriations in years when profit margins are satisfactory and business pessimism at low ebb.

Nineteen of the 20 economists quoted in Dun's Review expect a continuation of "creeping inflation."

Prudential Insurance Company's president, Dr. Gordon W. McKinley, in the company's annual economic forecast, expects a substantial increase in total business in 1960 and that business plant and equipment expenditure of about \$50 billion as rising depreciation allowances and earnings improvement provide funds for expansion.

The report expects that in 1960 consumer buying again will lead with total of about \$330 billion. Durable goods are expected to have a very good year.

As to the "golden sixties," the report expects the most rapid advance after 1965 when the bumper baby crop of post-war years reach working age. The report expects 1960 to be a good business year limited only by industry's productive capacity.

The leading article in December 7, 1959 issue of U.S. News and World Report is titled, What To Do With Your Savings Now. This article is an extensive interview with three leaders among professional investment managers. The first is Clinton Davidson, board chairman of Fiduciary Counsel, Inc., one of the largest firms of investment managers and which handles several hundred millions of investment funds. The second is David G. Watterson, partner of Boyd Watterson & Company, Cleveland investment counselors. The third is Herbert F. Dougall, professor of finance at Stanford University Graduate School of Business. Mrs. Dougall has written extensively on corporate finance as well as individual investment planning.

Each of these men expects a continuation of the inflation pattern. Mr. Davidson states, "Because of

the effect of inflation, we expect the market value of stocks 10 years from now to be considerably higher than today, even if they drop materially in the mean time." He further states his belief that it is possible to elect and retain in office, a President who is not willing to take inflationary steps and if he does not do so, Congress will.

Each of these men suggest Mutual Funds for those who cannot afford to employ top investment counsel. They all agree that a well selected list of common stocks is the ideal investment portfolio. Practically, only such common stocks are a protection. Mr. Dougall states that on a long range view, combining capital appreciation and dividends on a good stock list, total return will exceed substantially that of a high grade bond portfolio. He points out that in certain short periods bonds may show up better.

Mr. Dougall states, "The unfortunate thing is that the people who need inflation protection the most are least able to take the risks it involves." He goes on to state

that for a large proportion, Mutual Funds are the answer to the common stock problem.

SEEKS GOP NOMINATION

U.S. senator in the 1960 primary, Aarnold W. Witwer, Chicago attorney and civic leader, gets endorsement from the Cook county Republican central committee for his candidacy altho some of the suburban committeemen looked out the window when it came time to vote. Witwer is said to have Gov. Stratton's blessing which means that he probably will get organizational support thruout the state.

Dear Santa...

A short note about a few things our family loves (in case you're in a quandary about what to put under the tree, this Christmas...)

Pop... loves rotisserie-barbecued ribs! (saw a new GAS range with a rotisserie—and automatic features to make cooking deliciously easy!)

Chuckie... actually likes hot showers! (wish we had an automatic GAS water heater—then there would be enough hot water—all the time!)

Junior... would "help" me with the garbage chore if we made it easy with one of those new GAS incinerators. (I hear they're automatic—even get rid of bones, too!)

Sis... adores pretty dresses! (understand new automatic GAS dryers dry clothes ready-to-iron, miracle-fabrics wrinkle-free—for only a penny-a-load!)

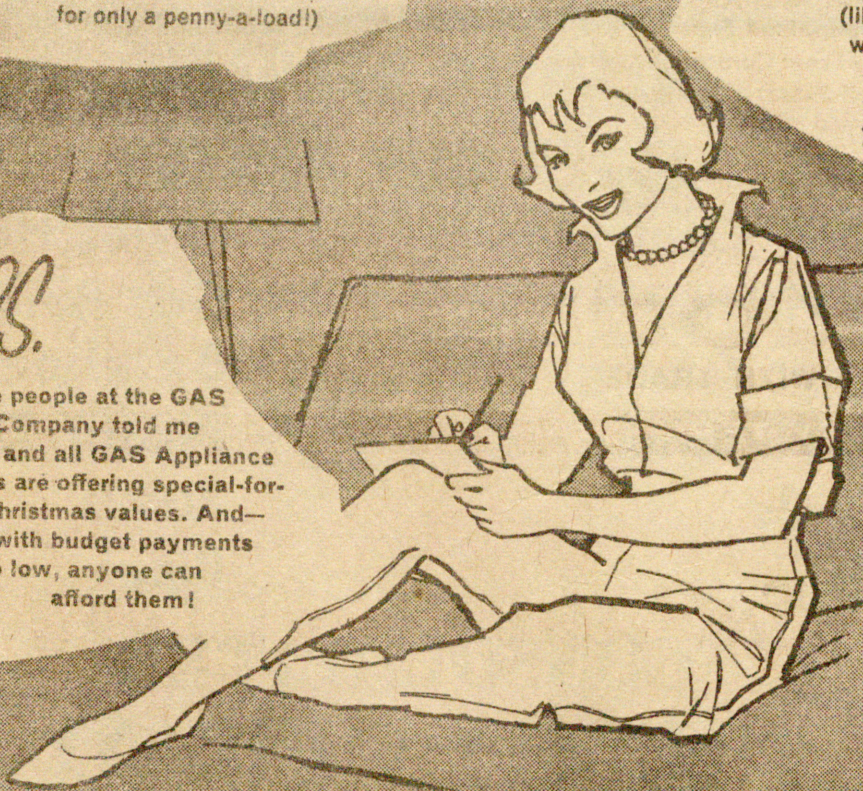

Me... (or is it I)—well anyway, I can't wish for anything more than doing what I can to keep my family happy. Oh, maybe a little extra relaxation (like I'd enjoy with the wonderful GAS appliances they're showing now.)

Hope to see you soon... Ellen

P.S.

The people at the GAS Company told me they and all GAS Appliance Dealers are offering special-for-Christmas values. And—with budget payments so low, anyone can afford them!

Class Prepares "Cheer" Boxes For Shut-Ins

BY LILLIAN KNOX
Fieldbrook 9-0211

As in the past years, the Adult Bible class of the Methodist church is preparing Christmas "Cheer" boxes for the shut-ins. Mrs. Frank Sayers, Mrs. Elmer Rogers, Mrs. Harvey Cooper, and Mrs. Elmer Newton are the committee in charge. They are asking for contributions of fruit, cookies, sweets etc., and will accept cash donations, which should be in the hands of the committee by Sunday, Dec. 13, other contributions by the 20th. Contact any members of the Committee.

The date of the Royal Neighbors Christmas party has been changed to Dec. 17 instead of the 18th as previously announced. They will meet at the home of Mrs. Marie Heiting at 8 p.m. Members are asked to bring a gift for the exchange.

Thursday evening about 6 p.m. Dec. 3, the fire department was

called to 7931 Redondo road, Laguna Woods, where grease in a skillet caught on fire. Mrs. T.J. Curtin had the fire under control when firemen arrived.

It has been the custom of the WSCS to serve "coffee and" between the morning worship services from 10:30 to 11:00 a.m. on the reception of new members into the Methodist church. Beginning Sunday, Dec. 6, and continuing each Sunday thereafter, the Martha Circle will serve the "Coffee and." This is an excellent opportunity for members to get acquainted with the many new families of the church.

The Mary Circle of the WSCS will not meet in December as their regular scheduled meeting date falls on Christmas week.

Mrs. Richard Nitsche has been busy taking the United State Agricultural Census for 1959 for Orland Township. This is for information

on agricultural operations.

A/3C William J. Brozovich, son of Mr. and Mrs. William Brozovich if home on furlough from Lowry Air Force Base, Denver, Colo. Airman Brozovich is a graduate of Carl Sandburg High school class of '59. He enlisted in the Air Force in July. Upon completion of his air force basic training at Lackland Air Force Base in San Antonio, Texas, was transferred to Lowry, where he now is a student of electronics, armament systems and maintenance. He left for Denver Dec. 5. Prior to his enlistment he was a part time employee at Andrews Corporation and Ebelings Service Station.

The annual covered dish luncheon and Christmas party of the Woman's club will be held at the Community Center Foundation, Wednesday, Dec. 16, luncheon to be served at 1 p.m. Mrs. Adele Cooper and Mrs. E.W. Schuessler will be in charge of the program.

Laurel Camp #1796 RNA will meet at the home of Marie Heiting, Friday evening, Dec. 18 at 8 p.m. Note that this is a change from the regular scheduled date. A Christmas party is planned by the committee with a gift exchange, games and refreshments.

Mrs. Gustie Hallinan has been taking care of her granddaughter, Lori Jean, while her parents, Mr. and Mrs. John McIntosh and sons were vacationing in Tucson, Ariz. Grandma and Lori Jean were guests of Mr. and Mrs. Tom Robertson in Blue Island over Thanksgiving week.

Exhibition Of Sport Cars At Ford Museum

The Henry Ford Museum's ninth annual sports car show will be held Jan 8 through 31.

A panorama of the world's leading competition cars, "Sports Cars in Review" is the nation's only auto show devoted entirely to sports cars.

The annual exhibit will bring together nearly 50 cars from Italy, England, Germany, France and the United States, with some shown for the first time in this country, according to Alan R. Symonds, show chairman.

Schools Plan Christmas Program For Tuesday Night

BY KATHERINE HEISNER
Frankfort 5187

The Frankfort grade school will hold a Christmas program in the school gymnasium at 7:30 p.m. Tuesday Dec. 22.

The school band will play several selections and students will participate in the processional, by singing, "We Wish You a Merry Christmas".

The feature of the program will be a pageant in six parts, "Christmas Thru the Years".

Grades 1 and 2 will present a Dickens's Christmas carol, "Coming of Santa Claus", and "Christmas Time is Coming".

The third grade pupils in "The Christmas Tree" scene will sing and dance to "O Tannenbaum".

The "Toys for Christmas" scene will feature sixth grade pupils in songs, "Willie, Bring Your Little Drum" and "Tis the Eve of Christmas".

The "Christmas Caroling" scene will have students of grades 4 and 5 singing, "Jingle Bells" and "The First Noel".

The church scene will feature a song by seventh grade students, "Joy to the World".

Students of the seventh and eighth grade will present songs in the "First Christmas" scene, with the 7th grade pupils singing "Bring a Torch, Jeanette Isabelle" and the 8th grade girls, singing, "Hark Now, O Shepherds", "Angel Song" "The Kings", "Lullaby" and the entire student body, "Silent Night" in the recessional.

The narrators will be Nancy Smith and John Zollner.

Miss Viola Lankenau, principal, will extend "Merry Christmas" to students and parents.

The annual Christmas program and party of the Weitendorf grade school, District 154, will be given Tuesday Dec. 22, at 8 p.m. Mrs. Emma Marti and Mrs. Jeanette Liddle are the teachers.

Mr. and Mrs. Leslie Koenig, Mr. and Mrs. Robert Simpson and Mr. and Mrs. Henry Kuse of Green Garden attended their card club last Saturday evening at the home of Mr. and Mrs. Norbert Brockman. Honors were won by Mrs. Kuse and Leslie Koenig. Later refreshments were served.

Mrs. Herbert Folkers will attend a Red Cross meeting Thursday Dec. 17, in Joliet.

Mr. and Mrs. Alvin Harnack attended the observance of the 5th wedding anniversary of Mr. and Mrs. Norman Gill, held in the home of Mr. and Mrs. Erwin Goodwin in Green Garden. Other guests present at the turkey dinner were Mr. and Mrs. Fred Gill and son Glenn, Miss Karen Krapf and the two daughters, Luann and Suann, of Mr. and Mrs. Norman Gill, all of Green Garden.

The D.A.R. of the Des Plaines Valley Chapter will have a board meeting at the home of Mrs. C.R. Curtiss in Joliet Saturday Dec. 12. The annual Christmas party of the D.A.R. will take place at the home of Mrs. Roy Hendricks at Crystal Lawn Tuesday, Dec. 15. Mrs. Herbert Folkers will attend.

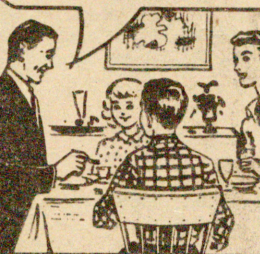

METHODIST NEWS
The Rev. James Parker is conducting classes for adult membership, the first of which was held last night. The second class will be held at 8 p.m. Dec. 16, in the church study.

On Sunday, Dec. 20 at 8 p.m. a Christmas program will be presented at the church, the title, "A Little Child Shall Lead Them". On Christmas Eve at 8 p.m. there will be a candlelight service by the Senior MYF.

TROOP 285

Boy Scout troop 285 held a board of review on Dec. 9, in St. Christopher's auditorium. There was a neckerchief presentation to new candidates by the pastor.

The ceremony consisted of a tenderfoot investiture for new scouts, 11 years old, and a court of honor for the scouts advancing to higher ranks. In addition, there was a presentation of special awards.

A movie entitled "1,000 Miles of Hiking" showed scenes from five of the troop's ten hikes taken in 1959. Troop leaders are Scout Master Bart Grouzalski and assistant Robert Noak. The Mother's club served refreshments.

visit his mother, Mrs. Grace
Campbell, who is a patient in the
Mary Greely hospital there.

Mrs. Marsina Van Cleave was
hostess at a luncheon held in her
home Tuesday, Nov. 24, at which
four generations were present.
They included her son Robert, his
wife and daughter of Royal Oak,
Mich. Her daughter Mrs. James
Barnes and her daughters and
grandchildren. Mrs. Van Cleave
has three daughters, one great-
grandson and five great grand-
daughters. Mr. and Mrs. Van
Cleave came here to attend the
tenth annual alumni meeting of the
Thornton Township High school
which was held Saturday Nov. 21, at
the Southmoor Country club. They
all had dinner at Valley View

News And Notes

Church Groups In C.C. Hills

On Saturday, Nov. 21, Pastor Reaks and some of the young people from the Country Club Hills Baptist church attended a South Suburban Christian Youth Rally at the Thornton High school, Harvey. The Rally was sponsored by Youth for Christ and Ambassadors for Christ. The speaker of the evening was "Pappy" Edwards who is with the Juvenile Division of the Family Court of Cook county. The singers were the White Sisters' Trio, former night club entertainers, who now devote their time and

talent to Christian work. Those attending with Pastor Reaks were Linda Adler, Lee and Ronnie Broadstone, Susan Hollenbaugh, Diana Lynette and David Reaks. On Tuesday, Dec. 1, Pastor and Mrs. Reaks attended the annual meeting of the Conservative Baptist Association of Chicago. The meeting was held at the Marquette Manor Baptist church, 60th & California. The theme of the program was Christian Education and the speaker was Rev. Floyd Ankerberg of the Greater Chicago Sunday School association.

tion.

Pastor Reaks and Gil Johnson attended a meeting of the Lorimer Memorial Baptist church deacons that evening, as a part of the affiliation of the two churches.

Preparations are being made for the Sunday School Christmas program to be presented at 7:30 pm. Dec. 23, at the Country Club Hills Baptist church. Parts are being assigned to the children attending and they will begin practicing Dec. 9. Plans are also being made for a special Christmas worship service to be held at 7:30 pm., Dec. 24, at the church. Everyone is invited to attend these two programs as well as all the regular scheduled services of the church. Twenty four children attended the Children's instruction and prayer class Dec. 2.

ST. JOSEPH MISSION CHURCH

Enthusiastic unit meetings of the newly formed Women's Auxiliary were held in the homes of unit leaders on Friday evening, Dec. 4. Two representatives from the church building committee made a brief visit to each unit meeting to answer any questions the women asked. Boxes of candy were distributed to those present to use or sell as they choose. Unit leaders who played hostess at their respective homes are: Unit 1, Mrs. John Honza; Unit 2, Mrs. Frank Hughes; Unit 3, Mrs. Thomas O'Shaughnessy; Unit 4, Mrs. Ray Champlin; Unit 7, Mrs. Thomas Marquette. Proceeds from the candy sale will be applied toward the mortgage on the new building, which is due for completion by Christmas Eve, when Midnight Mass will be said. Father Joseph Burke, pastor of St. Joseph church Homewood, announced that if everyone makes good his pledge of \$25. by Dec. 20, the "mortgage" will be used to light the candles on the altar on Christmas eve.

Dedication booklets will be distributed at Midnight Mass Christmas eve. The new building is rapidly assuming its final form, the ceiling is in and the furnace is being installed. Men are still working at every opportunity to complete it by Christmas. Coffee is now being served to the men three times a day. Lunch is also being prepared by the women under the leadership of Mrs. William Schomburg on Saturdays and Sundays. Donations may be made to Mrs. George Barry, SY 9-5592.

The Mission Choir is now meeting twice a week at St. Joseph's church in Homewood. Members are meeting on Monday and Thursday evenings at 9 pm.

UNITED CHRISTIAN CHURCH

A letter from Rev. Wendell Pew pastor, reads as follows:

"Dear Friends of Country Club Hills: This is a report of the United Christian church, a church which is open to all Christians in this community. We know full well that many of you are active in other churches, both Roman Catholic and Protestant, and we congratulate you on this relationship. As a person interested in the development of our community, however, we felt you would want to be informed about us. We are all looking forward to the day when we can do our shopping here, address our mail to Country Club Hills and have all community serving agencies right here! We also know that in order for Country Club Hills to be the kind of community that we all want it to be, there must be strong churches here. The United

Christian church will speak in behalf of those denominations which make up the bulk of Protestantism. As a part of the County Program of the Church Federation of Greater Chicago, the Christian churches (Disciples of Christ) of the Chicago area were commissioned to initiate the work of establishing a church here. Under this program there will be one cooperating church for each 1500 homes--and within the 1500 homes--and within the 1500 homes immediately surrounding the church site there will be no other cooperating churches established. The cooperating denominations, nonetheless, recognize the right of other denominations not to cooperate, and expect that they will establish churches as they see fit. When such groups come, we neither bear them ill will, nor do we wish to impede their progress or program. We stand ready to work for those things which contribute to the good of a Christian community, and are prepared to serve all Christians. Our best wishes to you and your family, whatever your church relationship may be, and many thanks for your time and interest in reading this letter and brochure. Sincerely yours Wendell Pew, Pastor."

Merrion Asks Donations To Aid Chicago Orphanage

By MARGOT BARTNIK

SY 8-7742
ANNUAL CLOTHING AND TOY DRIVE FOR ORPHANS

J.E. Merrion is requesting used clothing and toys, to be donated to orphan children at Guardian Angels Orphanage in Chicago. Mr. Merrion gives a Christmas party for these children each year. The construction office will be glad to pick up any donations, announces John Thomas. Number to call is SY 8-5610 or articles may be brought to the construction office which is located 1/4 block east of Cicero and 1/4 block north of Flossmoor road. Deadline is a week before Christmas.

"DUMBO" NEXT PTA MOVIE

"Dumbo" flees again at the next PTA movie, Saturday, Dec. 12th at Willowview school at 1 pm. The movie should be over by 2:15, so parents can plan to pick up their children at that time. Admission as usual, will be 30¢ for children and adults who may wish to see this charming Disney cartoon feature. One problem the PTA has in showing these monthly children's movies is the scarcity of mothers to assist in the supervision of the many children who attend. The PTA hopes that C. C. H. parents will volunteer to help in this important task perhaps, for only one movie during the year. If you feel that the PTA is performing a service in affording your children an entertaining afternoon at minimum cost, perhaps you'd like to volunteer your services for an hour and a half some Saturday. Call Mrs. Frank Zanzig, SY 8-0206; she will appreciate your help!

MARCH OF DIMES

Mrs. Gus Palumbo has been appointed chairman of the Mothers' March of Dimes for this area. As we all are aware, help is still needed for children who were stricken with polio before the life saving vaccine was put to use, and also for Arthritic children. Mrs. Palumbo is seeking Unit Chairmen volunteers for the drive which will begin Jan. 30. Volunteers will be guests at a luncheon on Dec. 17, at Olympia Fields Country Club. HOMEOWNERS ASSOCIATION

A meeting of the Homeowners was held Wednesday, Dec. 2 at the Willowview school for the purpose of electing representatives for various districts. John Nicholson and Milton Linn were elected to fill in vacancies in Unit 3, District 6. In Unit 2, District 8, Loren Nordgren and Edward Lupien were elected. Many districts are greatly lacking in representation. Out of 155 letters written to homeowners only 6 men attended the Dec. 2 meeting. From these 6 men four were elected to the Board of directors. A lack of interest in this important organization seems to be the case.

SENIOR "TEENS"

Meeting nights have been changed from the second and fourth, Fridays to the first and third Thursdays for the month of Dec. From January on, meetings will take place on the second and fourth Thursdays. Petitions to be signed for running for office will be available during the last two weeks of Dec. Elections will be held at the first meeting in January. Installation of officers will take place at a dance to be held the end of January. More of this dance later.

CUB SCOUTS

A pack meeting will be held at Willowview on Friday, Dec. 11, at 7:30 pm.

SCHOOL DISTRICT #160

The Board of Education of school district #160 announces the appointment of Mr. Gerald S. Howard of 4470 West 186th street to serve as Board Secretary. Mr. Howard is employed with a Chicago advertising firm and has been a Country Club Hills resident for the past year and a half. He has children in School District #160. They are in kindergarten, and grades one and two. Mr. Howard will assume his board duties effective Dec. 14.

Mr. John Moore, executive director of the Ill. State School Building Commission has advised the

District that he will visit the District Office Dec. 3rd, to discuss the Board of Education's request for additional classroom space. Since the Bldg. Commission meets early in December, it is hoped that the preliminary discussions regarding the School District's third application under the State program will be completed and ready for final action at the Dec. meeting. Radio stations WMAQ and WIND are cooperating with the School Districts in the Chicago area by keeping parents and children informed in the event bad weather forces the closing of schools. Although it is hoped that the weather this year will not be as severe as that of the past year when it was necessary to close schools for two days due to snow conditions, parents are advised to listen to either WMAQ or WIND should they think the weather had enough that schools may be closed. School District 160 will follow its policy of opening its schools on each school day unless emergency weather conditions prevent school opening. If it is necessary to close schools because of emergencies, announcements will be made through the above radio stations.

The annual vision and hearing screening program conducted by the School District has been completed. The school assisted by the County Nurse, Mrs. Nystrom, and the PTA screened the students in Grades 1, 3, 5, and 7 for hearing and vision defects. Parents of children showing signs of defects will be notified and advised to consult their family physician for treatment. The results of the screening program showed that in addition to the children already under medical care, 10 were recommended for additional eye examinations and 1 for additional auditory study. The School District offers this annual visual and auditory screening because of the importance of these areas to the success of the student receiving letters recommending further examination are asked to cooperate in the follow through study.

PERSONALS

Gerald Thomas, son of Mr. and Mrs. Steve Sareny at St. Stanislaus Church in Posen, on Saturday, Nov. 28th. The new Mrs. Thomas wore a white lace ballerina length gown with a short veil. She was attended by her sister, Darlene Sareny, who as maid of honor, wore a brown lace ballerina length gown. Best man was William Andrasko. A reception was held after the wedding in the home of the brides parents. The newlyweds are now residing in Homewood.

Mrs. Frank Miller, 18145 Mary Ann Lane, was rushed to Ingalls hospital for an emergency appendectomy on Dec. 4th. She is recovering nicely.

The Robert Pattisons of 18130 Baker have just returned from a Southern vacation. They left at the latter part of Oct. and drove to Silver Springs, Fla. where they spent two days. From there they drove to Miami Beach and spent one week basking in the sun.

They drove leisurely back stopping at Brewster, O. to spend the Thanksgiving holiday with both families before returning home.

John King went hunting with his two sons Jack (12) and Mike (10) in Warrenville. It was the boys' first hunting trip. They each bagged a pheasant (first time out), but their father came home empty handed.

Ed McPherson was hospitalized at Ingalls for a few days; is home Susan Roll, daughter of Mr. and Mrs. Leroy Roll, has been ill with measles and tonsillitis.

Rev. Geo. Zinn, pastor of the Grace Baptist church, Sunbury, O. visited the home of Rev. C.W. Reaks, Baptist minister, on Nov. 26 and 27. He was returning home after conducting evangelistic services in Monroe, Iowa. Rev. Zinn and Rev. Reaks were fellow students at Moody Bible Institute, in Chicago.

children. Also frayed strings of lights are a hazard and should be discarded. A good idea, says Chief Daniels, is to put the Christmas tree up just before Christmas and take it down early.

The Fire department auxiliary is holding its annual Christmas party on Saturday, Dec. 12th. Next meeting of the Auxiliary is scheduled for January 20th.

Names Volunteer Police For C.C.H.

Names of the volunteer police have been announced by Chief John Marts. For the past two weeks the men have been in training. Their present training will continue until Dec. 22 at which time they will go on active duty. They are: Roger G. Harris, Frank Lullo, Robert Arbutnot, Ronald Stelter, John McGrath, Joseph Burroughs, James Lanigan, Ronald Bock, Robert Roberts and Glenn Ohlson.

Opening On Fire Board At C. C. Hills

Due to the resignation of Frank Miller, there will be an opening in the board of trustees of the Country Club Hills fire protection district. Interested parties should contact E. R. Raddatz, SY 8-5597 or G. T. Huemmer, SY 8-5738 for procedure to be followed by applicant.

The Firemen's club will hold their annual children's Christmas party for members and their families at the firehouse on Sunday, December 19.

While on the subject of Christmas, Fire Chief Frank Daniels, urges residents to use care in lighting trees and decorations, etc. Spotlights and flood lights are becoming increasingly popular and while they are decorative, they are also dangerous, he said. Chief Daniels suggests keeping these lights away from rugs, drapes and
